## Kaushalya Logistics to Open New JK Cement Depots in UP

📅 30 Dec 2024 ⌚ 1 Min Read ✍️ CW Team

Kaushalya Logistics Limited (NSE: KLL), a leading logistics player in the cement industry, has secured approval for three new depots in Uttar Pradesh for JK Cement. The depots, located in Shahganj, Fatehpur, and Akbarpur, represent a major expansion of KLL's logistics operations, further strengthening its network in India's key cement market.

As a trusted logistics partner for cement manufacturers such as Dalmia Cement and Adani Cement, this expansion will streamline JK Cement's supply chain, improving delivery timelines and operational efficiency across the region. Uddhav Poddar, Managing Director of Kaushalya Logistics, commented, "This expansion marks a key milestone in our logistics strategy, enhancing our service delivery while supporting JK Cement's growth."

The new infrastructure will open new growth avenues, bolster revenue, and enhance resource management. Poddar also emphasized that the development underscores KLL's commitment to delivering reliable, cutting-edge logistics solutions, further establishing its market leadership.
