# Airbus shortlists U.P., three other states

**Rahul Singh**

letters@hindustantimes.com

**NEW DELHI** : Airbus Helicopters has shortlisted four locations in the country, including in Uttar Pradesh, for setting up a production line for making H125 helicopters in partnership with Tata Advanced Systems Limited (TASL), the fourth such facility in the world and a shot in the arm for the government's wide-ranging Make-in-India campaign, people in the industry said on Friday.

The final assessment of sites in Uttar Pradesh, Gujarat, Andhra Pradesh and Karnataka
