

# UP tops with 49 online vehicle-related services

TIMES NEWS NETWORK

**Lucknow:** Eliminating the need for in-person visits to RTO offices, the Uttar Pradesh transport department has integrated 49 of its services with Aadhaar authentication, enabling vehicle owners to access essential facilities from the comfort of their homes. With this development, UP has become the first state in the country to offer the highest number of vehicle-related

**These online services allow users to access them using their Aadhaar number and the mobile phone number linked to it.**

services online, surpassing Assam and West Bengal, which offer 46 services, and Tamil Nadu with 45 services.

The 49 services cover both the Sarathi and Vahan

portals of the department, including all services related to driving licences as well as other facilities, such as issuing duplicate RCs, special permits, duplicate permits, and fitness certificates.

These online services allow users to access them using their Aadhaar number and the mobile phone number linked to it, providing convenience and reducing the burden on RTO offices.
