
Over 1,000 entrepreneurs to take part in 'Build Bharat Expo'

Lucknow: More than 1,000 entrepreneurs and over 500 architects are expected to showcase their innovations during the three-day 'Build Bharat Expo 2025' beginning on Wednesday.

The exhibition, being organised by the Indian Industries Association (IIA) at Bharat Mandapam in the national capital, is aimed at encouraging micro, small and medium

enterprises (MSMEs) of the country. "The objective of this expo is to encourage MSMEs of India and especially that of

BOOSTING MSME

north India and to promote the latest technologies and business opportunities in various industrial sectors," IIA national president Neeraj Singhal said in a statement.

A wide range of products will be showcased at more than 151 stalls, including those related to green energy, agriculture and food processing, building and construction materials, electrical and electronics, and export items under ODOP initiative.

More than 500 architects, over 1,000 entrepreneurs and 15,000 domestic business visitors will be present in this ex-

po, Singhal said.

"Delegations from more than 34 countries, including Russia, Austria, Japan, Malaysia, Vietnam, Iran, Canada, Iceland, Iraq, Singapore, Netherlands, Bangladesh, Philippines, Myanmar, Thailand, Mauritius, South Korea, Nepal, Fiji, Indonesia, Guyana, Ghana, Ethiopia, Seychelles, Kazakhstan will visit this expo," he said.
