Noida , **Bayview Bhutani Film City** , **Bhutani Bayview International Film City** : Noida in [Uttar Pradesh](#) is set to become a leading media hub in the country due to the construction of the Bhutani Bayview International Film City. The 1,000-acre project kicks off with a 230-acre first phase, costing Rs 1,510 crore over eight years.

Bhutani Bayview International Film City Location

Strategically located just 6 km from [Noida International Airport](#) , the Film City at Sector 21, YEIDA, is set to become a major hub for the global motion picture industry. The filmmakers will have access to on-site cameras, lighting, cranes, and other essential equipment, reducing logistical challenges.

Bhutani Bayview International Film City Feature

Bhutani Bayview International Film City is a first-of-its-kind hub, strategically designed to attract investment, drive innovation, and transform India's filmmaking landscape.

The first phase of Bhutani Bayview International Film City will feature state-of-the-art sound stages, a dedicated film university, and cutting-edge production facilities, creating a fully integrated hub for filmmaking. Designed to support every stage of production, from pre- to post-production, the project aims to position Noida as a global filmmaking destination.

This landmark project will be a massive "ॐ" symbol spanning 250 acres, designed to be visible from space and set to feature in the second phase of development. This, along with world-class [infrastructure](#) , will position Noida as a global entertainment hub, attracting investment and redefining India's filmmaking landscape.

Furthermore, sustainability will be a core priority, with dedicated zones for production and commercial spaces designed to meet high environmental benchmarks. The project will target GRIHA 4-Star and IGBC Gold Certification, ensuring responsible development and long-term efficiency.

Bhutani Bayview International Film City will be a fully integrated ecosystem, bridging a critical gap as North, Central, and East India currently lack a dedicated film city. It also aims to attract investors, create 50,000 jobs, and become a global film hub.

Bhutani Bayview International Film City Latest Update, Bhutani Bayview International Film City Latest Status

The Gateway, with its twin towers and sphere arcade, will serve as the main entry point, seamlessly linking commercial, retail, and hospitality spaces.

The Island Resort will provide high-end accommodations for filmmakers, crew, and visitors, fostering a work-live environment within the creative hub.

The Film Academy, integrated with production facilities, will develop industry-ready professionals, strengthening the regional and national talent pipeline.

The Studios will offer advanced production and post-production infrastructure, catering to both domestic and international projects with purpose-built sets and on-site accommodations.

The Film Arts Village will foster creative synergies through boutique studios, galleries, and workshops.

The Red Carpet Zone will host premieres, industry events, and exclusive experiences—positioning Noida as a key player in global entertainment.

Canal Walk & The Greenway will enhance public engagement with cultural pavilions, waterside dining, and a dynamic waterfront promenade.
