

CM Yogi: Upcoming Lucknow Textile Park to create 50K jobs

TIMES NEWS NETWORK

Lucknow: Chief Minister Yogi Adityanath on Saturday led a roadshow to meet potential investors for the upcoming textile and apparel park at Lucknow-Hardoi border, being developed under the PM Mitra Scheme. The govt also signed two MoUs worth Rs 700 crore during the investors' meet.

"The textile park would establish UP as a textile hub and create over 50,000 jobs," he said. He highlighted UP's position as India's largest consumer market with a population of 25 crore and said the state has also served the needs of people from Nepal, Bhutan, Bihar, Jharkhand, Madhya Pradesh, Rajasthan and Uttarakhand.

He also announced that the state govt will establish 10 new textile parks named after Sant Kabir Das and two leat-

No compromise on quality of edu: CM

Chief Minister Yogi Adityanath on Saturday asked officials not to compromise on the quality of education and assured them of adequate funds to make UP an education hub. Chairing a review meeting of the basic education department, CM Yogi directed officials to ensure that no school in the state is without teachers. **P 5**

le hub, and now, the same vision is being implemented nationwide with the approval of seven PM MITRA Parks, one of which is in Lucknow. This is the only PM MITRA Park in the country being set up in a state capital. The detailed project report for this 1,000-acre park is currently being drafted," Yogi said.
