EV CHARGING STATIONS UNDER FAME

Posted On: 01 APR 2025 4:19PM by PIB Delhi

Details of Electric Vehicle Public Charging Stations (EVPCS) installed under FAME-II scheme is provided at Annexure.

Rs.633.44crore have been utilized out of Rs.839 crore allocated under the scheme. The details of year-wise funds released /utilised during the last five years is as under:

Rs. crore

FY	2019-20	2020-21	2021-22	2022-23	2023-24	Total Exp.
Grants released for EVPCS to OMCs	0	21.99	0	560	51.45	633.44

Ministry of Power, "Guidelines for Installation and Operation of Electric Vehicle Charging Infrastructure-2024" dated 17thSeptember, 2024, encourage charging during solar hours through concessional tariffs, integration of renewable energy in bus depots & promotion of solar carport etc. These guidelines emphasize the role of public-private partnerships in expanding the EV charging infrastructure. Setting up EV charging station has been designated as de-licensed activity, simplifying the process for businesses. To make the land available at affordable rates, it has been suggested that public land be made available to Government or Public entities on a revenue-sharing model at Rs. 1 per kWh. For private entities, the land may be made available through a competitive bidding process at a floor price of Rs. 1 per kWh. Additionally, public tenders involving government land for the establishment of BSS have been suggested to be kept technology agnostic. State Governments have been advised to permit round-the-clock operations of BSS.

No. of EVPCS installed under FAME by three Oil Marketing Companies (OMCs) under the Ministry of Petroleum and Natural Gas and Other Public Sector Entities (PSEs)

State/UT	No. of Chargers installed under FAME as on 01.03.2025 by OMCs	Number of chargers installed As on 03.02.2025 by other entities	State Total
