In pursuit of becoming a \$1 trillion economy, Uttar Pradesh (UP) is planning to tap the world's leading financial hubs for investment across sectors.

The [Yogi Adityanath](#) government will organise roadshows for investors in London, Singapore, Paris, Tokyo, and several other cities in the run up to the proposed UP Global Investors' Summit (GIS) 2.0 in 2025-26 (FY26).

The state aims to attract investments of about ₹33 trillion at UP GIS 2.0, the preliminary groundwork for which has already begun.
