
Udyami Mitras helping UP achieve \$1 trn eco goal: Yogi

Lucknow: Emphasising on the importance of the 'Udyami Mitras', an arm of the industries department who act as the primary face to generate investments in the state, Yogi Adityanath said that acting as the backbone, they are helping the state to achieve the USD 1 trillion economy goal.

Revealing more details, a senior officer from the indu-

stries department said that Havells is investing Rs 879 crore to establish a research and development centre in Noida, set to become operational by 2026 — an achievement made possible through timely support from Udyami Mitras in resolving process-related challenges.

Similarly, the Sharda Group's Rs 600 crore health city in Agra is progressing smo-

othly, aided by prompt regulatory approvals facilitated by the dedicated professionals.

In Prayagraj, JK Cement's Rs 400 crore project faced issues related to land mutation and road connectivity has been facilitated.

In the case of Indraprastha Gas Limited (IGL) project in Fatehpur, a delay in setting up an 11 KVa powerline was also resolved.

Under Invest UP, the independent team of Udyami Mitras accurately updated data pertaining to fourth edition of the groundbreaking ceremony and are actively looking for investors willing to participate and invest in the fifth edition. Regular meetings are held with investors through the Udyog Bandhu platform to maintain communication. **TNN**
