

Invest UP showcases industrial edge at expo

Highlights Single-Window Clearance Sys

TIMES NEWS NETWORK

Lucknow: Representing UP in the PHD Chamber of Industries and Commerce Industrial Safety, Fire Safety, and Disaster Response expo that began in Noida on Thursday, deputy chief of Invest UP, Shashank Chaudhary, said that “UP means opportunity”.

“Today, when we talk about UP, we talk about opportunity,” he said, adding, “It is a rapidly evolving industrial landscape. UP hosts India’s largest working-age population, empowered by premier institutions like IITs and IIMs, alongside an extensive network of technical and vocational institutes that continuously supply skilled manpower.”

Showcasing UP’s policy-driven growth model, he spotlighted the flagship ‘Nivesh Mitra’ single-window clearance system, which en-

UP Int'l Trade Show: Hyd roadshow today

Lucknow/Hyderabad: Following its successful show in New Delhi, Uttar Pradesh’s global business potential will now be on display in Hyderabad. In the run-up to the third edition of the UP International Trade Show 2025, the state govt is organising mega roadshows across India’s key industrial hubs. The next roadshow is scheduled to take place in Hyderabad on Friday. This event will present UP’s strengths in trade, investment, exports and innovation to stakeholders in southern India. Representing Team Yogi, Minister for MSME, Khadi and Village Industries, Handloom and Textiles, Rakesh Sachan, will outline the state government’s forward-looking vision. The objective is to showcase the state’s Export Vision 2025. TNN

sures fast approvals and investor support through dedicated Udyami Mitras. With over 33 sector-specific policies in place, the state offers competitive capital subsidies, operational facilitation,

and industry-ready infrastructure. An Invest UP pavilion was also set up at the expo to attract investors, who were attended by Udyami Mitras and Invest UP officials.
