

Union secy hails revenue reforms for biz push

TIMES NEWS NETWORK

Lucknow: Secretary, Union govt, Meeta Rajiv Lochan discussed various reforms related to the 'Ease of doing business' project with chairperson of the UP revenue board Anil Kumar on Monday.

These reforms included simplification of land and revenue processes to provide quick services to investors.

The secretary shared her insights on the investment portal under the revenue board and

expressed satisfaction with the special efforts being made by the board. She expressed hope that the initiative would provide a further push to investments in the state and establish UP among the leading states in 'Ease of doing business'.

Kumar informed Lochan that efforts are being made to simplify various land-related provisions and fully digitise the processes. He spoke about plans to update village maps using satellite imaging, which would ensure accuracy and transparency in land records.
