Lucknow: Taking inspiration from Uttar Pradesh's preparations of the Viksit UP-2047 vision document, the government of Madhya Pradesh recently sent a delegation to Lucknow to study the mechanisms put in place by UP to implement this plan. The team interacted with various departments including Planning, to understand the state's strategy for developing the vision document for Viksit UP-2047.

"MP govt appreciated UP's goal of becoming a USD 6 trillion economy by 2047 and the efforts being made to reach this goal. Their delegation visited Lucknow where

CM: Decisions taken in the interest of nation & public define our culture

CM Yogi Adityanath said decisions taken in national and public interest define our culture. "Life is shaped by three stages — tendency, distortion, and culture. Staying unchanged is tendency, continuous decline is distortion, and decisions taken in larger public and national interest represent culture," the CM said at the 5th Foundation Day ceremony of RMLIMS. **P 2**

they were informed about our preliminary plan, our outreach programme and how we are planning to move forward with our short and long term goals," said a government spokesperson.

Sources revealed that se-

veral states, especially those led by BJP, are working on a similar plan. Maharashtra govt has also formally announced its plan for a Viksit Maharashtra-2047.
