

UP sets up Taiwan desk for new projects, investor help

TIMES NEWS NETWORK

Lucknow: Fast emerging as a global investment destination, Uttar Pradesh has established a dedicated Taiwan desk to facilitate new projects and streamline investor support.

A high-level meeting with global industry leaders and Taiwan experts was hosted by Invest UP in this regard here on Monday.

The deliberations were convened by Vijay Kiran Anand, CEO of Invest UP.

Suresh Chandra, director, STQC, Suresh Kumar Tulluri, CEO, Supermicro,

Sanjeev Mehta, co-founder and Global CEO, Akashaverse and Prof Nachiket Tiwari, IIT-Kanpur among others attended the deliberations.

An official spokesperson said that the discussions focused on exploring joint ventures, investment opportunities, and long-term collaborations between Taiwan and Uttar Pradesh. Recognising Taiwan's global leadership in electronics and semiconductor manufacturing and Uttar Pradesh's growing potential in data-driven sectors, both sides deliberated on collaborative models to leverage mutual strengths.
