

CM invites Russian biz leaders to ITS

Lucknow: After bringing onboard Russia as a partner country for UP International Trade Show 2025, the UP govt extended an invitation to high-level delegation consisting of top industry exhibitors and cultural performers from Russia.

Chief Minister Yogi Adityanath underscored the importance of such partnerships, stating: "Uttar Pradesh is not only India's growth engine but also an emerging hub for global investment. With Russia stepping in as the partner country for UPITS 2025, the trade show is set to open a new chapter of international collaboration, offering UP industries greater access to global markets."

The Russian delegation will include representatives from the banking, energy, skilling, education, and IT/ITES sectors. A nine-member cultural troupe from Russia will perform at the event, giving a new boost to India-Russia cultural ties at the trade show. TNN
