'UP to boost export units, logistics hubs'

Times News Network

Lucknow: Uttar Pradesh is set to accelerate the development of export-oriented industries, world-class manufacturing zones and logistics hubs, infrastructure and industrial development minister Nand Gopal Gupta 'Nandi' announced on Friday.

Speaking at the Economic and Industrial Policy Conclave organised by the Indian Investors Federation during the 10th Grand Banking Leadership Summit at Hotel Taj, Gomti Nagar, he said the state is building a high-trust, high-efficiency industrial ecosystem that meets global standards.

The event brought together leading bankers, policymakers, industrialists and entrepreneurs to discuss investment flows, MSME empowerment, credit reforms and industrial strategies. Minister Gupta highlighted special incentive packages for manufacturing, logistics, and high-tech sectors, aimed at attracting NRI and global investment.
