Lucknow: In an effort to develop Hapur as a new hub of investment in west UP, the Hapur-Pilkhuwa Development Authority organised an Invest in Hapur Summit 2025 recently. During the summit, the authority received investment proposals of Rs 1,300 crore.

Finance and parliamentary affairs minister Suresh Kumar Khanna, who was the chief guest at the event, focused on the state's policies, strong law and order, and investment-friendly environment to promote UP as a top investment destination in the country.

"The development of Delhi-NCR will no longer be limited to just a few areas. Areas like Hapur are now emerging as new development engines. Hapur is an emerging urban and industrial centre, located about 15 minutes away from Delhi. Its master plan was approved in 2024. The area's road connectivity is strong, and it is located minutes away from Delhi, Noida, Ghaziabad, and Meerut," the minister said.

Investors were provided with information about residential and industrial land and details about the Hapur-Pilkhuwa Development Authority. It was revealed that in the last two years, its profits increased from Rs 172 crore to Rs 435 crore. Meanwhile, income from maps and various approvals increased from Rs 5.3 crore to Rs 26.32 crore.

Dr Nitin Gaur, vice chairperson of Hapur-Pilkhuwa Development Authority, said that this was the first time an investor summit was organised at the authority level.
