

Uttar Pradesh to showcase its Growth Vision at WEF Davos 2026

Delegation Embarks on Global Investment Promotion/ Attraction Mission at World Economic Forum

Lucknow, January 17, 2026: Uttar Pradesh is set to take a confident stride onto the global stage as its delegation participates in the World Economic Forum (WEF) Annual Meeting 2026 in Davos, Switzerland, from **January 19 to 23**. With a clear agenda to engage in impactful discussions and secure strategic investments, the state is positioning itself as a hub for industrial growth, innovation, and sustainable development.

Guided by the dynamic vision of **Hon'ble Chief Minister Shri Yogi Adityanath Ji**, Uttar Pradesh has been steadily strengthening its global outreach to present itself as a reliable, investor-friendly, and future-ready destination. The state's participation at WEF is being coordinated by **Invest UP**, the government's dedicated investment promotion and facilitation agency.

The delegation will be led by **Shri Suresh Kumar Khanna**, Hon'ble Cabinet Minister for Finance and Parliamentary Affairs. He will be joined by senior officials including **Shri Deepak Kumar**, Infrastructure & Industrial Development Commissioner; **Shri Amit Singh**, Secretary, Chief Minister's Office; **Shri Vijay Kiran Anand**, Secretary, Infrastructure & Industrial Development Department and CEO, Invest UP & UPSIDA; and **Shri Inderjit Singh**, Special Secretary, Energy Department and Director, UPNEDA. Together, they will present Uttar Pradesh's industrial growth story, progressive policy reforms, and expanding opportunities to a global audience.

Key highlights of Uttar Pradesh's participation include:

- Promoting Uttar Pradesh as a preferred destination for **Global Capability Centres (GCCs)**
- Presenting sector-specific opportunities through curated branding, investment-focused presentations, multimedia showcases, and structured bilateral meetings
- Reinforcing the state's reputation for **ease of doing business**, backed by transparent governance and time-bound project implementation
- Engaging directly with international investors, industry leaders, diplomats, policymakers, and multilateral institutions to build strategic partnerships

With vast market potential and a strong investor-friendly ecosystem, Uttar Pradesh is emerging as a key hub for global enterprises. The state's presence at **WEF Davos 2026** reflects its determination to deepen international partnerships, attract high-quality investments, and strengthen its position as a leading growth engine of India's economy. Through sustained global engagement, Uttar Pradesh continues to advance its vision of long-term, inclusive, and sustainable development.
