

# CM to interact with top Japanese corpns

► **Continued from P 1**

In Singapore, the CM will attend meetings related to strengthening UP-Singapore ties. Discussions will be held on partnership in sectors such as urban development,

## **BIZ CONNECT**

smart cities, water management, and skills collaboration.

During this visit to Japan, the CM will visit Yamanashi, Osaka and Kyoto where he will interact with senior government officials.

“A conference on the Japan-Uttar Pradesh Partnership for Manufac-

turing, Mobility and Technology is to be held in Japan. During this event, the CM will interact with top Japanese corporations working in the fields of EV, electronics, rail, engineering, chemicals and logistics.

On Wednesday, the Yamuna Expressway Industrial Development Authority sent a proposal to the state government for the development of a Japan City and Singapore City.

The Authority has identified land within its jurisdiction and during his visit to the two countries, the chief minister is expected to invite proposals for investment in these two zones.
