

Union Budget to take UP on path of development: Yogi

Lucknow: Confident that the 2026-27 Union Budget would help take UP on the path of development, CM Yogi Adityanath on Monday said that manufacturing units in the state would derive the maximum benefits, as aspirations of MSME unit operators were fulfilled by the central govt.

The CM said India's rapid march towards becoming

CM Yogi at a press conference in Lucknow on Monday

the world's third-largest economy was the result of its clear policies and firm in-

tent under the leadership of PM Narendra Modi.

Addressing a press conference a day after FM Nirmala Sitharaman presented the Union Budget, the chief minister said govt policies and schemes had a visible impact on the ground over the past over 11 years. TNN & AGENCIES
