**Lucknow:** Infrastructure development, education, and agriculture, along with women and youth are likely to be the focus areas as finance minister Suresh Khanna tables his 7th and Yogi govt's 10th consecutive budget on Wednesday.

This is likely to be the last budget before the 2027 assembly polls slated to take place Feb-March next year.

The budget for the year 2026-27 is likely to see an approximately 10% increase from the current fiscal

**Budget for 2026-27 is likely to see an approximately 10% increase from the current fiscal and is likely to touch the ₹9 lakh crore-mark**

and is likely to touch the Rs 9 lakh crore-mark. The total budget outlay for the current fiscal stands at approximately Rs 8.33 lakh crore. Initially, the size of budget 2025-26 tabled last year was Rs 8.08 lakh crore, but it increased following addition of a supplementary budget.
