## UTTAR PRADESH

# Roadshows lined up in Singapore, Japan

**VIRENDRA SINGH RAWAT**

Lucknow, 20 February

---

Uttar Pradesh will hold investors' roadshows in Singapore and Japan next week, pitching the state as an investment destination in South Asia, a senior official said.

During his nearly 5-day foreign tour beginning February 22, Chief Minister Yogi Adityanath will meet regional business leaders across sectors including manufacturing, electronics, infrastructure, data centres, semiconductors fabrication, tourism and services.

“The CM will confabulate with leading industrialists and investors in Singapore

and Japan, and impress upon them to invest in Uttar Pradesh,” a senior Invest UP official said.

His delegation will comprise UP Finance Minister Suresh Khanna and Industrial Development Minister Nand Gopal Gupta Nandi apart from key bureaucrats.

The CM is expected to hold investors' roadshows and meetings in Singapore and Japan on February 23-24 and February 25-26 respectively.

The Uttar Pradesh government is likely to sign a large number of Memorandums of Understanding (MoUs) with the two leading Asian economies to foster trade and business ties.
