LUCKNOW: Chief minister Yogi Adityanath's four-day visit to Singapore and Japan brought Uttar Pradesh closer to achieving its trillion-dollar economy goal by 2029-30 as memorandums of understanding (MoUs) worth ₹1.5 lakh crore were signed and investment proposals of ₹2.5 lakh crore were received, according to an official statement.

Adityanath met CEOs of transnational companies with a global presence and inked MoUs to bring foreign investment to the state.

"We have met companies involved in automobile, logistics, green hydrogen, CBG (Compressed Bio Gas), solar, and tourism.... There has been talk of cooperation between Japan and Uttar Pradesh regarding technology in MSMEs, online sales, and other

issues... In addition, the construction of a dedicated Japan city for Japanese investors within the Yamuna Authority to develop auto clusters has been discussed in detail, and action has been taken to allocate land for this purpose," the chief minister said.

"The delegation of Uttar Pradesh has received MoUs worth ₹90,000 crore in Japan and proposals worth ₹1.5 lakh crore. Similarly, we have received MoUs worth ₹60,000 crore in Singapore and proposals worth up to ₹1 lakh crore for investment in Uttar Pra-

desh," he added.

Japan's Kubota Corporation, Spark Minda (in collaboration with Toyodenso), Japan Aviation Electronics Industry and Nagase & Co. Ltd are some of the prominent companies which will invest in Uttar Pradesh.

In business to government meetings, leading corporations such as Suzuki Motor Corporation, Honda Cars India Ltd, Konoike Transport Co. Ltd, Mitsui & Co Ltd., Rapidus Corporation, Marubeni Corporation, Sumitomo Realty & Devel-
