

Provided 9L govt jobs in 9 yrs to boost UP's economy: Yogi

'State Once Struggled To Pay Salaries'

TIMES NEWS NETWORK

Lucknow: Chief minister Yogi Adityanath on Sunday said that in the past nine years, at least 9 lakh people have joined govt services, supporting the state's growth and strengthening its role in India's economy.

Addressing a programme for distribution of appointment letters to 665 nursing officers at Lok Bhavan, the CM said, "Earlier, the state struggled to pay salaries, but today it is a revenue-surplus state and among the top three economies in the country. UP's per capita income has nearly tripled since 2016."

He said that promoting talent benefitted the state and country, adding recruitment

was monitored at every stage to ensure transparency.

"Our third eye keeps watch on those who try to tamper with the recruitment process. We identify them early and take strict action," he added.

Yogi highlighted that the state has progressed across sectors and the identity crisis among youth has been resolved.

He said that while many countries around the world have declared an "emergency" due to the crisis in West

CM to unveil initiatives for child devpt, nutrition

Efforts to strengthen child nutrition services and generate local employment are set to get a push as chief minister Yogi Adityanath will launch several programmes related to child development and nutrition at Lok Bhavan on Monday. Appointment letters would be given to newly 10 selected Anganwadi workers. **P 3**

Asia, India is moving forward with full strength due to Prime Minister Narendra Modi's "visionary" leadership.

"The Gulf War has created an atmosphere of instability. Many countries have started reducing working hours and wages because their economies are failing. In the US, which is less dependent on the Gulf countries, the prices of petroleum products are skyrocketing," he said.
