

# ‘Japan City’ to come up in YEIDA: Nandi

**Lucknow:** Uttar Pradesh industries minister Nand Gopal Gupta Nandi, who accompanied chief minister Yogi Adityanath on the four-day official visit to Singapore and Japan, said that the state proposed developing a dedicated ‘Japan City’ over 500 acres in the YEIDA area to create a specialised industrial ecosystem for Japanese companies.

He said that strengthening the Japan Desk at Invest UP and promoting MSME partnerships were also part of the discussions.

In Singapore, the delegation held govt-to-business meetings and investor roadshows focusing on data centres, logistics, aviation ecosystem, fintech, skill development and urban infrastructure. TNN
