

Any delay in ind devpt won't not be tolerated: CM

►Continued from P 1

Any delay or negligence in investment and industrial development will not be tolerated," he said.

A complainant from Kasganj brought to the CM's attention a grievance related to the police department, alleging that there was a delay in the resolution of his case. The CM directed the superintendent of police to ensure time-bound resolution.

Another case related to encroachment following a family dispute was also brought to his attention. The CM said that the govt had a clear stand on encroachments and assured the complainant that immediate action in accordance with the law would be taken.

Yogi also interacted with children who accompanied their parents. He advised a child to read books and use social media discreetly, saying that excessive use could be harmful. He also advised children to minimise the use of mobile phones and other devices.
