

Officials must resolve entrepreneurs' issues on priority, says CM

Lucknow: Chief minister Yogi Adityanath directed officials concerned to resolve the problems of entrepreneurs on priority and said that any delay or negligence will not be tolerated.

During Janata Darshan at his official residence on Monday, the CM met two entrepreneurs who shared their concerns with him.

After interacting with them, the CM directed the departments concerned, particularly the Uttar Pradesh State Industrial Development Authority and the district administration, to ensure that their issues are addressed in a time-bound manner.

“An excellent ecosystem

CM Yogi Adityanath during the 'Janata Darshan' organised at his official residence in Lucknow

for investment has been created in the state. The govt has implemented several transparent systems, including a single-window system. Problems faced by entrepreneurs should be resolved on a priority basis," he said. TNN
