

Modi: E-way network has laid foundation for 'New UP'

TIMES NEWS NETWORK

Lucknow: PM Modi on Wednesday reviewed Uttar Pradesh's growth map at an exhibition organised by the UPEDA on the sidelines of the Ganga Expressway inauguration.

Modi visited the exhibition at the event venue and was briefed about the state's expanding expressway network, its industrial potential and integration with cultural heritage.

CM Yogi Adityanath apprised the PM of the strategic utility and future plans of

PM Narendra Modi, along with CM Yogi Adityanath, visits an exhibition during the inauguration of the Ganga Expressway in Hardoi

the expressway network being developed across the state. Modi appreciated the comprehensive planning and described the network

as a foundation for a "New Uttar Pradesh".

The exhibition showcased not only infrastructure projects but also glimpses of the state's cultural and religious heritage. Tableaux depicting the Prayagraj Mahakumbh Sangam, an art gallery, the bird sanctuary of Pratapgarh, a statue of Mahatma Buddha in meditation and various temples were displayed.

The exhibition highlighted that along with development, equal emphasis is being placed on preserving tradition and culture, it said.
