

Gkp enters Guinness for AI awareness

Gorakhpur: In a major milestone, Gorakhpur has secured a place in the Guinness World Records for an Artificial Intelligence awareness campaign that registered 7,64,187 participants online within a week.

The 'AI for All Awareness Programme', conceptualised under the guidance of CM Yogi Adityanath, surpassed its initial target of five lakh registrations well before the April 9 deadline. The initiative was led by Maharana Pratap Institute of Technology in collaboration with Tata Consultancy

Services and several academic institutions. The Guinness World Records certificate was handed over by its representative Rishi Nath to Yogi Adityanath and Tata Sons chairman N Chandrasekaran.
