UP pushes pvt industrial park policy; firms eye plug-and-play projects

The push is part of a broader effort to accelerate infrastructure development and expand industrial capacity

The Uttar Pradesh government is pushing two major policies to attract private investment in industrial parks, with several large firms already exploring opportunities under the proposed framework.

The state is promoting the Uttar Pradesh Private Business Park Development Scheme 2025 and the UP Plug and Play Industrial Shed Policy (DBFOT Model) 2026 to encourage private sector participation in developing modern industrial and business parks.

Leading infrastructure and real estate players, including CREDAI, Adani Ports and Special Economic Zone Limited (APSEZ), Cushman & Wakefield, DLF, Omaxe, Ajmera Realty and DBS Bank, have explored opportunities for plug-and-play industrial parks in the state.
