

'Need 16% annual growth for \$6trn economy by 2047'

TIMES NEWS NETWORK

Lucknow: To become a USD 1 trillion economy by 2030, a USD 2 trillion economy by 2036 and a USD 6 trillion economy by 2047, Uttar Pradesh

will need an annual average growth rate of around 16%.

The state's current economy is USD 356 billion, with a contribution of over 9% to the country's GDP. The data was discussed in a meeting chaired by CM Yogi Adityanath to review the draft vision document for Viksit UP-2047.

"Viksit UP @2047 is a campaign for comprehensive transformation, in which equal importance has been given to social justice, inclusivity and improvement in quality of life along with economic progress," the CM said.
