**Jhansi:** Uttar Pradesh industrial development minister **Nand Gopal Gupta Nandi** on Sunday reviewed the progress of the ambitious defence corridor and Bundelkhand Industrial Development Authority

(BIDA) projects in Jhansi, directing officials to accelerate land acquisition and infrastructure development works to ensure timely completion.

After chairing a high-level review meeting of BIDA projects, the minister conducted a site inspection of the “General Bipin Rawat Defence Industrial Corridor Jhansi Node” being developed in Garotha tehsil near Erich. Additional chief secretary, infrastructure and industrial development, Alok Kumar accompanied him during the inspection.

Officials informed the minister that nearly Rs 360 crore worth projects for laying of internal roads, drainage systems and construction of boundary walls were progressing at the defence corridor site.

The minister inspected the ongoing work and instructed agencies to maintain quality standards while speeding up execution.
