

Complete e-way and industrial park projects on mission mode: CM

Lucknow: CM Yogi Adityanath on Saturday directed officials concerned to take projects related to expressways, industrial parks, logistic hubs and urban areas on a mission mode.

Reviewing the progress of various infrastructure projects at a meeting of the state transformation commission, the CM stated: “Wherever there are procedural obstacles, they should be removed on priority and timely completion of projects must be ensured.”

Stating that the foundation stone of the Bharat Electronics Limited unit is going to be laid soon at the Chitrakoot node of Defence Corridor, he told officials to ensure that the financial tender work of Chitrakoot Link Expressway is completed. TNN
