

Yogi: Action should be expedited for Agra-Lucknow-Purvanchal Link

TIMES NEWS NETWORK

Lucknow: Chief minister Yogi Adityanath on Saturday sought updated information from district magistrates on land acquisition for Chitrakoot, Farrukhabad and Jewar Link Expressways.

"About 90% land availability for these expressways must be ensured by May 31. Wherever rate revision is required, proposals should be sent immediately," the CM said, stating that he would review the progress after 15 days.

Yogi directed that direct dialogue should be held with landowners. "They should receive proper compensation and additional manpower should be deployed for registry work so that proceedings move forward," he said.

The CM said that action should be expedited for Agra-Lucknow-Purvanchal Link, Jhansi Link and Meerut-

It was informed in the meeting that the letter of award has been issued for the construction of the proposed world-class convention centre in Lucknow. In this regard, the CM directed officials to prepare for laying the foundation stone.

Describing the Multi Model Logistic Hub and Multi Model Transport Hub being developed in Greater Noida as game-changers for the state's logis-

tics sector, Yogi said these projects will connect the state to national and global supply chains.

It was informed in the meeting that out of 323 hectares for the Multi Model Logistic Hub, 301 hectares of land have been acquired, which has paved the way for taking the work forward.

Reviewing the Mukhyamantri Model Composite School Scheme, he said, "This initiative will establish new standards of quality education in the state."

It was informed in the meeting that 150 schools are to be constructed in 75 districts, out of which work has started for 59 schools and the tender process is in progress for 67 schools. The CM directed that the remaining projects be expedited. He emphasized giving priority to good locations for establishment of schools.

To accelerate industrial develop-

ment, Yogi stressed early implementa-

tion of Model Building Bylaws by making them investment friendly. Emphasizing better use of industrial plots, the CM stated, "Industries should be established on allotted land within the prescribed time limit. Dialogue should be held with investors and action should move forward on time."

To promote Bio Energy and CBG projects, the CM directed the adoption of an innovation and competition-based approach. Officials apprised him that work was underway to develop the proposed Seed Park and Textiles Park in Lucknow as major centers of agricultural and industrial development. "The process of selecting developers is being expedited," they said.

Reviewing the Chief Minister Green Road Infrastructure Development Scheme, Yogi said this scheme is important in the direction of making urban roads modern and smooth.
