

₹4,000 cr aviation fuel plant to come up in Gorakhpur

GORAKHPUR: GIDA has completed land allotment for a ₹4,000 crore aviation fuel plant by Shreyas Group in Dhuriyapar. Managing director Vinay Kumar Singh said the company has sought time from the chief minister's Office for the foundation stone ceremony, likely to be attended by Yogi Adityanath. Officials said the integrated biofuel and brewery complex will produce aviation turbine fuel, ethanol, malt whisky and beer. The project will have a daily production capacity of 750 kilolitres and include a 35-MW power plant. CEO Anuj Malik said it is expected to generate around 4,000 jobs.
