

Finish Agra-Lko-Purvanchal link land buy by June: Yogi

‘Work Delay Will Not Be Tolerated’

TIMES NEWS NETWORK

Lucknow: While reviewing proposed expressway projects, CM Yogi Adityanath said, “Enhanced connectivity will provide fresh impetus to industrial development, investment and job creation. Processes related to land ac-

Chief Minister Yogi Adityanath

quisition and land exchange should be expedited.”

During the meeting, officials said that approximately 55% of the land required for Farrukhabad Link Expressway was already acquired.

Yogi directed the officials that acquisition of necessary land for Agra-Lucknow-Purvanchal Link Expressway, Jewar Link Expressway and Jhansi Link Expressway should be completed by June-end.

Meanwhile, alignment for Meerut-Haridwar Expressway has been approved, and a detailed action plan for land acquisition is currently being

h.

formulated.

The CM asserted that any unnecessary delays in investment-related projects would not be tolerated.

Possession of 301 hectares out of 323 hectares of land designated for Multi-Modal Logistics Hub has been secured.

Furthermore, the deadline for submitting tenders for selection of a developer has been extended to July 6, 2026.

Meanwhile, out of the 200 hectares required for Multi-Modal Transport Hub, 144 hectares of land have already been secured, and the process for acquiring the remaining land is currently underway.

“The processes related to building plan approvals should be made simpler, transparent and time-bound,” said the CM.

While reviewing the Uttar Pradesh State Rural Livelihood Mission (SRLM), he emphasised that adequate hu-

man resources should be made available to ensure effective implementation of schemes at the rural level.

The selection process for 40 out of 136 vacant positions was completed at the state level, while advertisements have been issued for the remaining 96 posts. The recruitment process for 360 vacant positions at district and block levels is in progress.

Reviewing the proposed Seed Park and Textile Park projects in Lucknow, Yogi directed officials to fast-track the initiatives and integrate them with the state’s agricultural and industrial development.

Consultations have been held with international organisations and leading seed companies regarding the Seed Park project, and a consensus has been reached for the next steps.

Reviewing defence corri-

dor projects, the CM noted, “Investors should be provided with all necessary support to position Uttar Pradesh as a leading state in the field of defence manufacturing.”

Officials informed Yogi that Icons Hindustan Aerospace and Defence Systems Pvt Ltd has submitted a proposal to invest Rs 125 crore in Aligarh defence node.

The Technical Evaluation Committee and the Land Allotment Committee have already issued recommendations in favour of the company, and the subsequent procedural steps are currently in progress.

Reviewing proposed Agriculture Export Hub near Jewar International Airport and Aqua Bridge project in Unnao, he asked officials to develop modern processing and export facilities to connect agriculture and fisheries-based products with global market.
