CM Yogi Adityanath interacts with kids in Gorakhpur

Lucknow: A total of 170 farmers, including 20 women, who gave their land for the Jewar airport, will travel on the inaugural flight from Noida International Airport (NIL) to Lucknow on Monday, and meet CM Yogi Adityanath.

Jewar MLA Dhirendra Singh on Sunday said that it was a historic moment for the region and the country.

“It is unprecedented that farmers whose land was acquired for an airport would become passengers on its

first flight. Due to the vision and leadership of chief minister Yogi Adityanath, that aspiration has turned into reality for the farmers of Jewar,” he said.

The delegation, led by Singh, will fly from Jewar to Lucknow at 8 am and meet the CM.
