

‘UP-made BrahMos made Pak cry for help’

LUCKNOW/JHANSI/LALITPUR: Chief minister Yogi Adityanath on Saturday praised India's growing global stature under Prime Minister Narendra Modi's leadership and said indigenously developed BrahMos Missiles had taught Pakistan a "befitting lesson" during Operation Sindoor. He hailed

Ayodhya Ram Temple as the "national temple", even as he accused the Congress and the SP of dividing society. He also addressed the Viksit Bharat Sankalp Conference organised in Jhansi and a public event in Lalitpur after inaugurating and laying foundation stones for development projects. →P5
