Earlier, a medical college was a dream for this place. Along with Khurja’s crockery, the crockery here too is creating a new identity for itself in the country and the world. The sweetness of the sugarcane produced by the farmers here is attracting everyone,” he said.

Other projects that would lead to Bulandshahr’s prosperity include the International Film City, Apparel Park, Medical Device Park, Toy Park, IT and Electronics City and Fintech City which are being developed in the state, the CM said. The chief minister also lauded the district for sending a large number of personnel to the armed forces.

“Whichever village you visit in Bulandshahr, you will find an ex-serviceman or a serving officer there,” he said. The spirit of ‘Jai Jawan, Jai Kisan’ is truly reflected in the district. Now girls and traders are safe in Bulandshahr,” he said.
