

Ayodhya airport ranks 5th nationally in customer survey

TIMES NEWS NETWORK

Lucknow: Maharishi Valmiki International Airport, Ayodhya Dham, has secured the fifth position nationally and first among Airports Authority of India (AAI)-operated airports in Uttar Pradesh in the Customer Satisfaction Survey (CSS) Round I 2026 conducted by AAI.

The airport also improved its national ranking from ninth to fifth compared to the previous survey.

The CSS covered 63 AAI-operated airports across the country and assessed passenger feedback on the quality of airport facilities and services.

According to the survey, Ayodhya Airport received high scores

Ayodhya airport received high scores across several parameters, including ground transportation, parking and baggage trolley availability

across several parameters, including ground transportation, parking, baggage trolley availability, Wi-Fi services, security screening, staff behaviour and assistance, cleanliness of the terminal and washrooms, the overall airport environment and overall passenger satisfaction.
