

# Sectors driving state's economy and social development get major allocations

►Continued from P 1

Maintaining that the state's fiscal deficit remains well within prescribed limits, parliamentary affairs and finance minister Suresh Khanna said that of the total supplementary budget, Rs 17,399.50 crore has been allocated under the revenue account and Rs 41,620 crore under the capital account.

The allocations have largely been directed towards sectors driving the state's economy and social development. These include large and medium industries (Rs 22,107.88 crore), agriculture and rural development (Rs 17,942 crore), energy (Rs 7,422.27 crore), medical and health (Rs 2,025 crore), social welfare (Rs 1,655 crore), women welfare (Rs 1,094 crore), and public works (Rs 700 crore).

The supplementary budget seeks to address emerging expenditure requirements while sharpening govt's focus on infrastructure-led growth. It includes an additional allocation of Rs 3,000 crore under Chief Minister Industrial Area Expansion and New Industrial Area Promotion Scheme, a flagship initiative aimed at developing new manufacturing clusters, creating Noida-style industrial townships, and upgrading core infrastructure across districts.

Govt has also earmarked Rs 1,302 crore for promoting foreign direct investment (FDI) and attracting Fortune 500 companies. Another Rs 1,500 crore has been allocated for Atal Industrial Infrastructure Mission, a programme being implemented through UPSIDA to upgrade industrial zones, develop manufacturing clusters, and boost exports.

Further, Rs 200 crore has been allocated for industrial
