

29 Candidates Selected for Chief Minister Udyami Mitra (UM) Yojana After Final Merit List

Invest UP Finalises Appointments After Multi-Stage Selection Process

LUCKNOW, AUGUST 17: The Uttar Pradesh government has selected **29 candidates** for appointment under the **Chief Minister Udyami Mitra Yojana** following the final selection process for the **Udyami Mitra Exam-2026**. Invest UP released the final results and selection list on **August 14, 2026**, with appointment orders issued to candidates securing the highest positions in the final merit list.

The recruitment follows the government order issued on **January 31, 2023**, which established the framework for appointing Udyami Mitras to strengthen investment facilitation and industrial support in the state. The new appointments will add field-level capacity to Invest UP's efforts to assist investors, entrepreneurs and industries in implementing projects.

126 Candidates Reach Interview Stage; 29 Selected The recruitment process combined multiple evaluation parameters, including academic qualifications, professional experience, notable achievements, and performance in the written test conducted by Dr. A.P.J. Abdul Kalam Technical University (AKTU). Based on these criteria, a merit list was prepared, shortlisting 126 candidates for interviews. Following interviews and approvals, 29 candidates were finalized for appointment, with a waiting list created to address future vacancies.

Udyami Mitras to Drive Investment Facilitation These appointments come as Uttar Pradesh strengthens its position as a leading investment hub across manufacturing, electronics, semiconductors, pharmaceuticals, renewable energy, logistics, defence, data centres, and tourism. Udyami Mitras will act as facilitators, coordinating with government departments, resolving implementation challenges, and ensuring smoother communication between investors and the administration. Their role is expected to accelerate project execution, convert investment proposals into operational ventures, and generate employment opportunities.

Candidates can access the official results via the Invest UP Careers Page. The recruitment reinforces Uttar Pradesh's industrial growth strategy, enhancing institutional support for project implementation, investor engagement, and job creation.
