Lucknow: Uttar Pradesh's IT and IT-enabled services (ITeS) exports have crossed Rs 1 lakh crore for the first time, more than doubling over the past five years, according to figures released on Wednesday by the IT and Electronics Department.

Principal secretary **Alok Kumar** said IT-ITeS exports from UP stood at Rs 1,01,970 crore in 2025-26, up from Rs 48,004 crore in 2020-21.

The export numbers were compiled from units registered with Software Technology Parks of India (STPI) and from SEZ units in the state.

"The expansion of the IT-ITeS sector was expected to support further investment and create employment opportunities, particularly for technical and IT professionals in the state," Kumar said.
