UP invites Singapore companies to invest in the state, proposes 'Singapore City' near Jewar

Over 75,000 Acres of Industrial Land Bank and 27 Integrated Manufacturing and Logistics Clusters to Attract Global Investors

Lucknow, October 28: Uttar Pradesh stepped up efforts to attract Singaporean investments, with Hon'ble Finance Minister Shri Suresh Khanna and Hon'ble Industrial Development Minister Shri Nand Gopal Gupta 'Nandi' holding discussions with a 14-member high-level business delegation led by the Singapore Business Federation Chairman Mark Lee at Taj Palace Hotel in Lucknow on Tuesday. The meeting explored investment opportunities in logistics, semiconductors, data centres, clean energy, urban planning and hospitality.

Finance Minister Suresh Khanna said Uttar Pradesh believes in translating commitments into action. The state has more than 36 sector-specific policies, along with an FDI policy designed to facilitate investment and strengthen industrial growth. He said the government had disbursed incentives worth over ₹70,000 crore to entrepreneurs, reaffirming its commitment to supporting investors through clear policies and effective implementation.

UP Proposes 'Singapore City' and High-Tech Industrial Township Near Jewar

Building on Chief Minister Yogi Adityanath's visit to Singapore in February 2026, the state proposed developing a dedicated 'Singapore City' and a high-tech industrial township near the upcoming Noida International Airport at Jewar. During the Chief Minister's February visit, investment agreements worth approximately ₹60,000 crore had been agreed upon.

The delegation was informed that Uttar Pradesh has an industrial land bank exceeding 75,000 acres, while 27 Integrated Manufacturing and Logistics Clusters are being developed. The state's extensive expressway network and connectivity with the Eastern and Western Dedicated Freight Corridors position it to emerge as a major logistics and supply chain hub for northern India.

Singapore Business Federation Chairman Mark Lee termed the Chief Minister's Singapore visit a significant step in strengthening business ties, praising Uttar Pradesh's expressway network, industrial parks and warehousing infrastructure. SBF-India Business Committee Chairman Prasoon Mukherjee said improved connectivity has boosted investor confidence. The meeting was attended by SBF CEO Kok Ping Soon, IHCL MD & CEO Puneet Chhatwal, Invest UP CEO Vijay Kiran Anand and senior officials.
