

FELICITATING OUR INVESTOR PARTNERS

Ground Breaking Ceremony

29 JULY 2018 | LUCKNOW

Uttar Pradesh is an attractive investment destination with a clear vision and a robust roadmap. We are working to promote ease of doing business to create a favorable business environment in the State. It is my privilege to work in tandem with our Hon'ble Prime Minister Shri Narendra Modi on his vision of "Make in India".

Uttar Pradesh, has been the epicentre of India's glorious history, and the future beckons those of you who avail the opportunities of investing in Uttar Pradesh. I am humbled by the keen interest shown by the business fraternity at UP Investors Summit held in February 2018.

Our transparent policies and reforms have laid the foundation of a healthy investment climate in the State. It will not only ensure infrastructural development but also create numerous job opportunities. The Grounding Breaking Ceremony is the first step towards fulfilling our commitment to the people of Uttar Pradesh.

Shri Yogi Adityanath
Hon'ble Chief Minister
Government of Uttar Pradesh

Uttar Pradesh has shown a rapid and sustainable economic development. The Government's proactive initiatives and investment friendly policies have created a favorable investment climate. Uttar Pradesh, with an investor-friendly environment, has achieved considerable success in attracting both domestic and foreign investments. The Uttar Pradesh Investors Summit organized in February 2018 was a milestone achieved in this context.

Our Government is working day-night to make sure that the investors get all the necessary facilitation required in the given timeframe. By grounding the investments within few months of the MoU signing shows the eagerness and commitment of our Government to perform any action required inside our confines to help the investors who take interest in the State of the Uttar Pradesh.

Under the leadership of our determined Chief Minister, the government is taking all steps necessary to make sure that our departments and every person working in Government is on the toes to help every investor and the entire business fraternity.

Shri Satish Mahana
Hon'ble Industrial Development Minister
Government of Uttar Pradesh

Uttar Pradesh with its inherent strengths, is one of major contributors to country's growth. Home to 16.5% of India's population, UP is India's largest consumer market. The State offers largest workforce with 56% of UP's 200 million population in working age group.

The focus of our new Industrial Policy is to promote inclusive growth and reduce regional disparities, investment and create large scale employment. Special incentives are being given to SC/ST/Women and differently abled entrepreneurs, and also to units providing them employment. To develop our sectoral strengths, UP has come up with various sectoral policies from time to time.

The Ground Breaking Ceremony a testimony for the amount of work done by the Government in a short span of time after the highly successful 'UP Investors Summit 2018'. We assure all assistance to the business community in translating their dreams into reality in the state of Uttar Pradesh.

Anup Chandra Pandey

Chief Secretary,
Government of Uttar Pradesh

Lying along the fertile plains of Ganges, Uttar Pradesh is a state with infinite opportunities. India's fourth largest state, UP is home to a large working population. It has substantial availability of both land parcels and talented work force for industrial development.

Besides developing world class infrastructure and enabling policies, the state is focusing on skill development, innovations, building progressive institutions and good governance. These are our key components to attain an inclusive and sustainable growth model.

The grand success of the UP Investors Summit held in February 2018 is the testimony to the transforming business environment in UP. It is our target to stay one step ahead of the expectations of the investors who are developing interest in our state for investments and are committed to provide a favorable business ecosystem in the state.

It gives me immense pleasure to reverberate our sincere efforts in grounding the investments made in the State. Our transparent policies have boosted excitement and created a positive vibe among the investors. Assuring red carpet and proactive governance, I welcome the business community to Uttar Pradesh.

Mr Rajesh Kumar Singh

Principal Secretary, IIDD,
Government of Uttar Pradesh

Largest exporter
of consumer
electronics

incentives

UTILITIES

Abundant land parcels at competitive price
Balanced availability of water across the state
24x7 reliable electricity to industries and provision for open access

INDUSTRIAL CORRIDORS

8.5% of DMIC catchment area and 57% of AKIC in Uttar Pradesh
Intersection of WDFC and EDFC at Greater Noida
Multi-modal logistic hubs, industrial parks etc. to benefit from reduced travel time to ports
India's Defence Industrial Corridor coming up in Bundelkhand region

LOCATION ADVANTAGE

Access to NCR on the west
Strategic access to market & resource depth of eastern India
Located on Golden quadrilateral, enjoying excellent road connectivity
National Waterway -1 connecting Allahabad to Haldia port

CONNECTIVITY

State of expressways: Upcoming Poorvanchal & Bundelkhand Expressway adding advantage to existing Yamuna & Agra-Lucknow Expressway
Largest railway network in the country spanning over 8,949 km
Major national & international airports connecting the rest of India
India's biggest International Airport coming up at Jewar spread over 5000 hectares

SKILLED MANPOWER

56% of UP's 200 million population are in the working age group
53 Universities, 4345 Colleges, 168 Polytechnics with several research institutes, Centers of Excellence and other vocational institutes
Industry focused skill development program

PROACTIVE GOVERNANCE

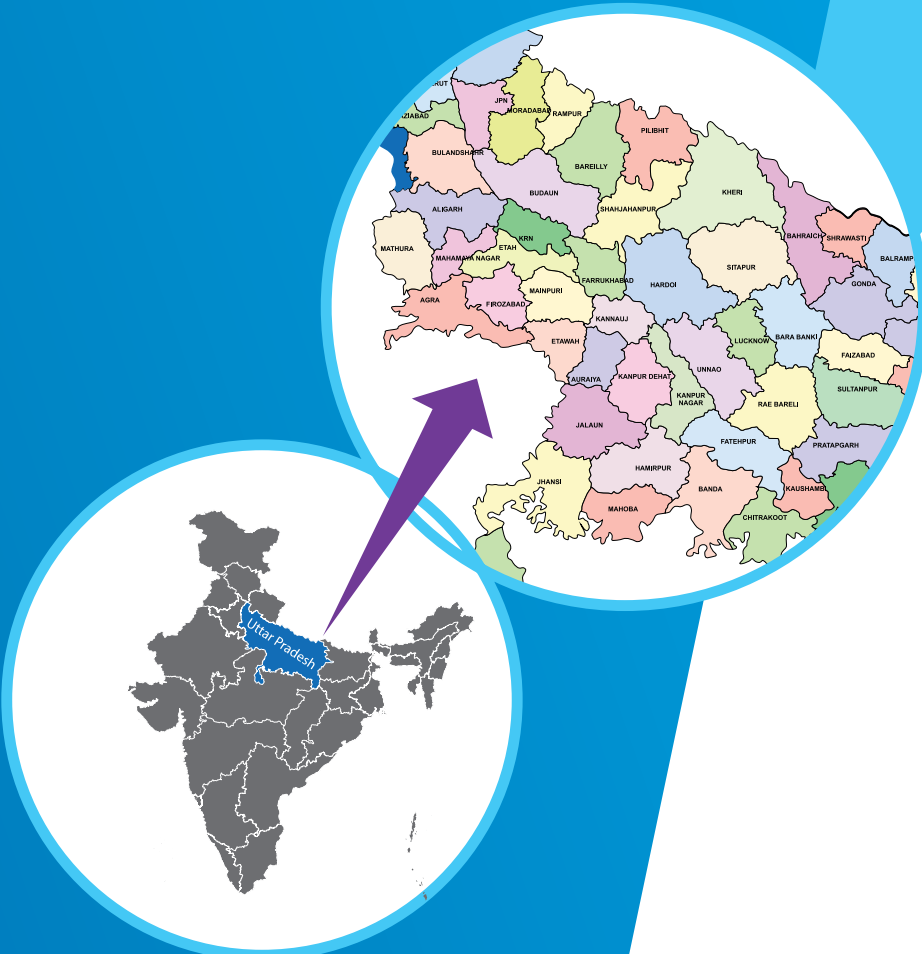

Proactive facilitation and attractive policies
Simplified procedures and speedy time bound approvals
Strong industrial security – 'zero tolerance' philosophy

INFRASTRUCTURE ADVANTAGE

“Strategically located with
seamless access to East, West
and Central India”

NW-1 originates from Uttar Pradesh

National Waterways No. 1

DEDICATED FREIGHT CORRIDORS

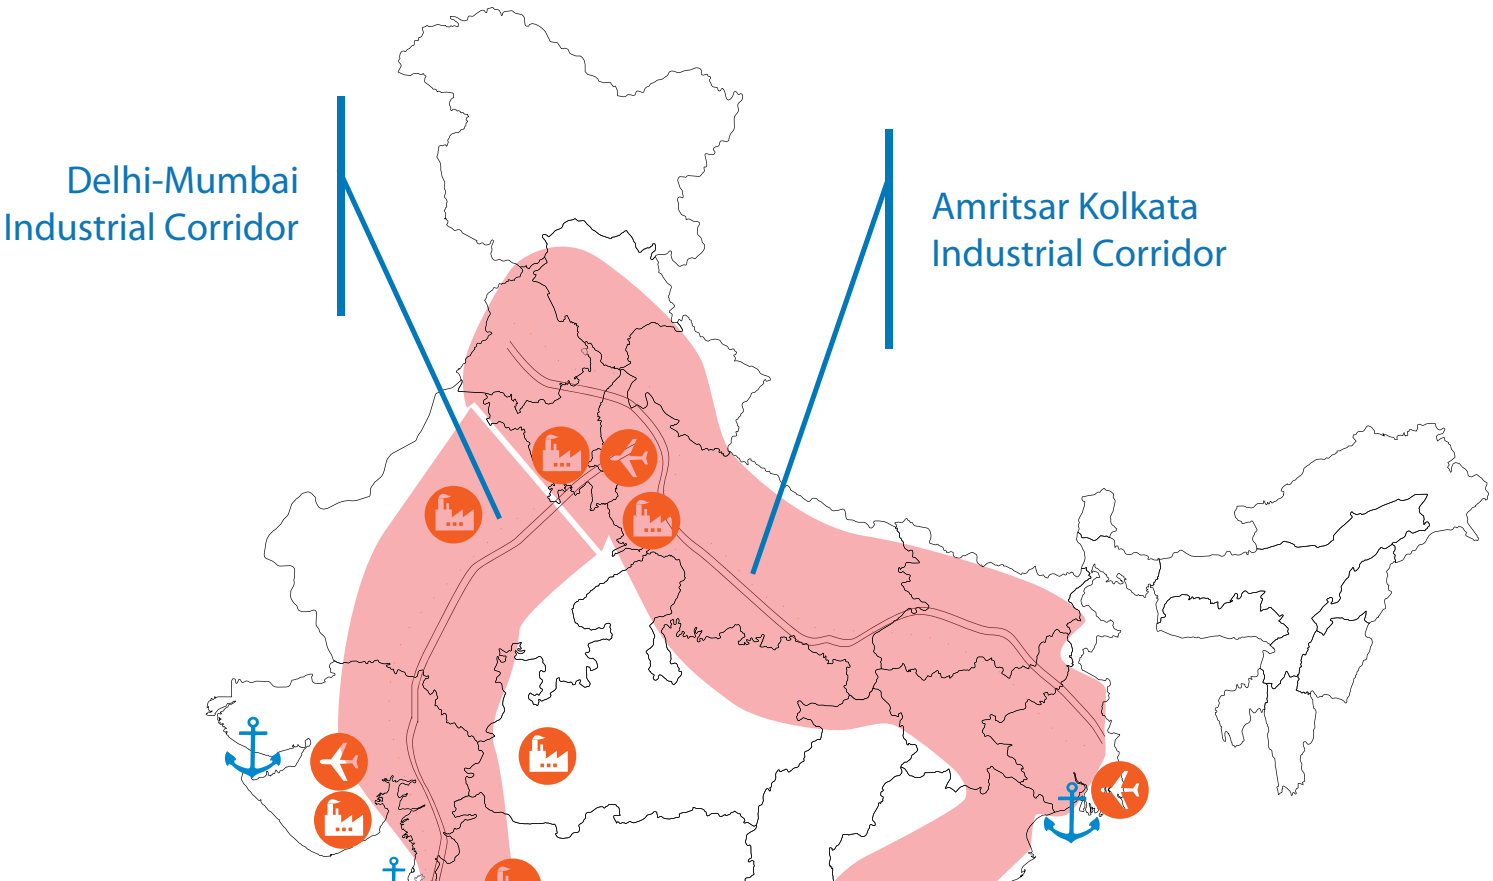

Trains on these two corridors will
speed up to 120 km per hour

- Eastern Dedicated Freight Corridor
- Western Dedicated Freight Corridor

INDISTRIAL CORRIDORS

Considerable share of two major industrial corridors

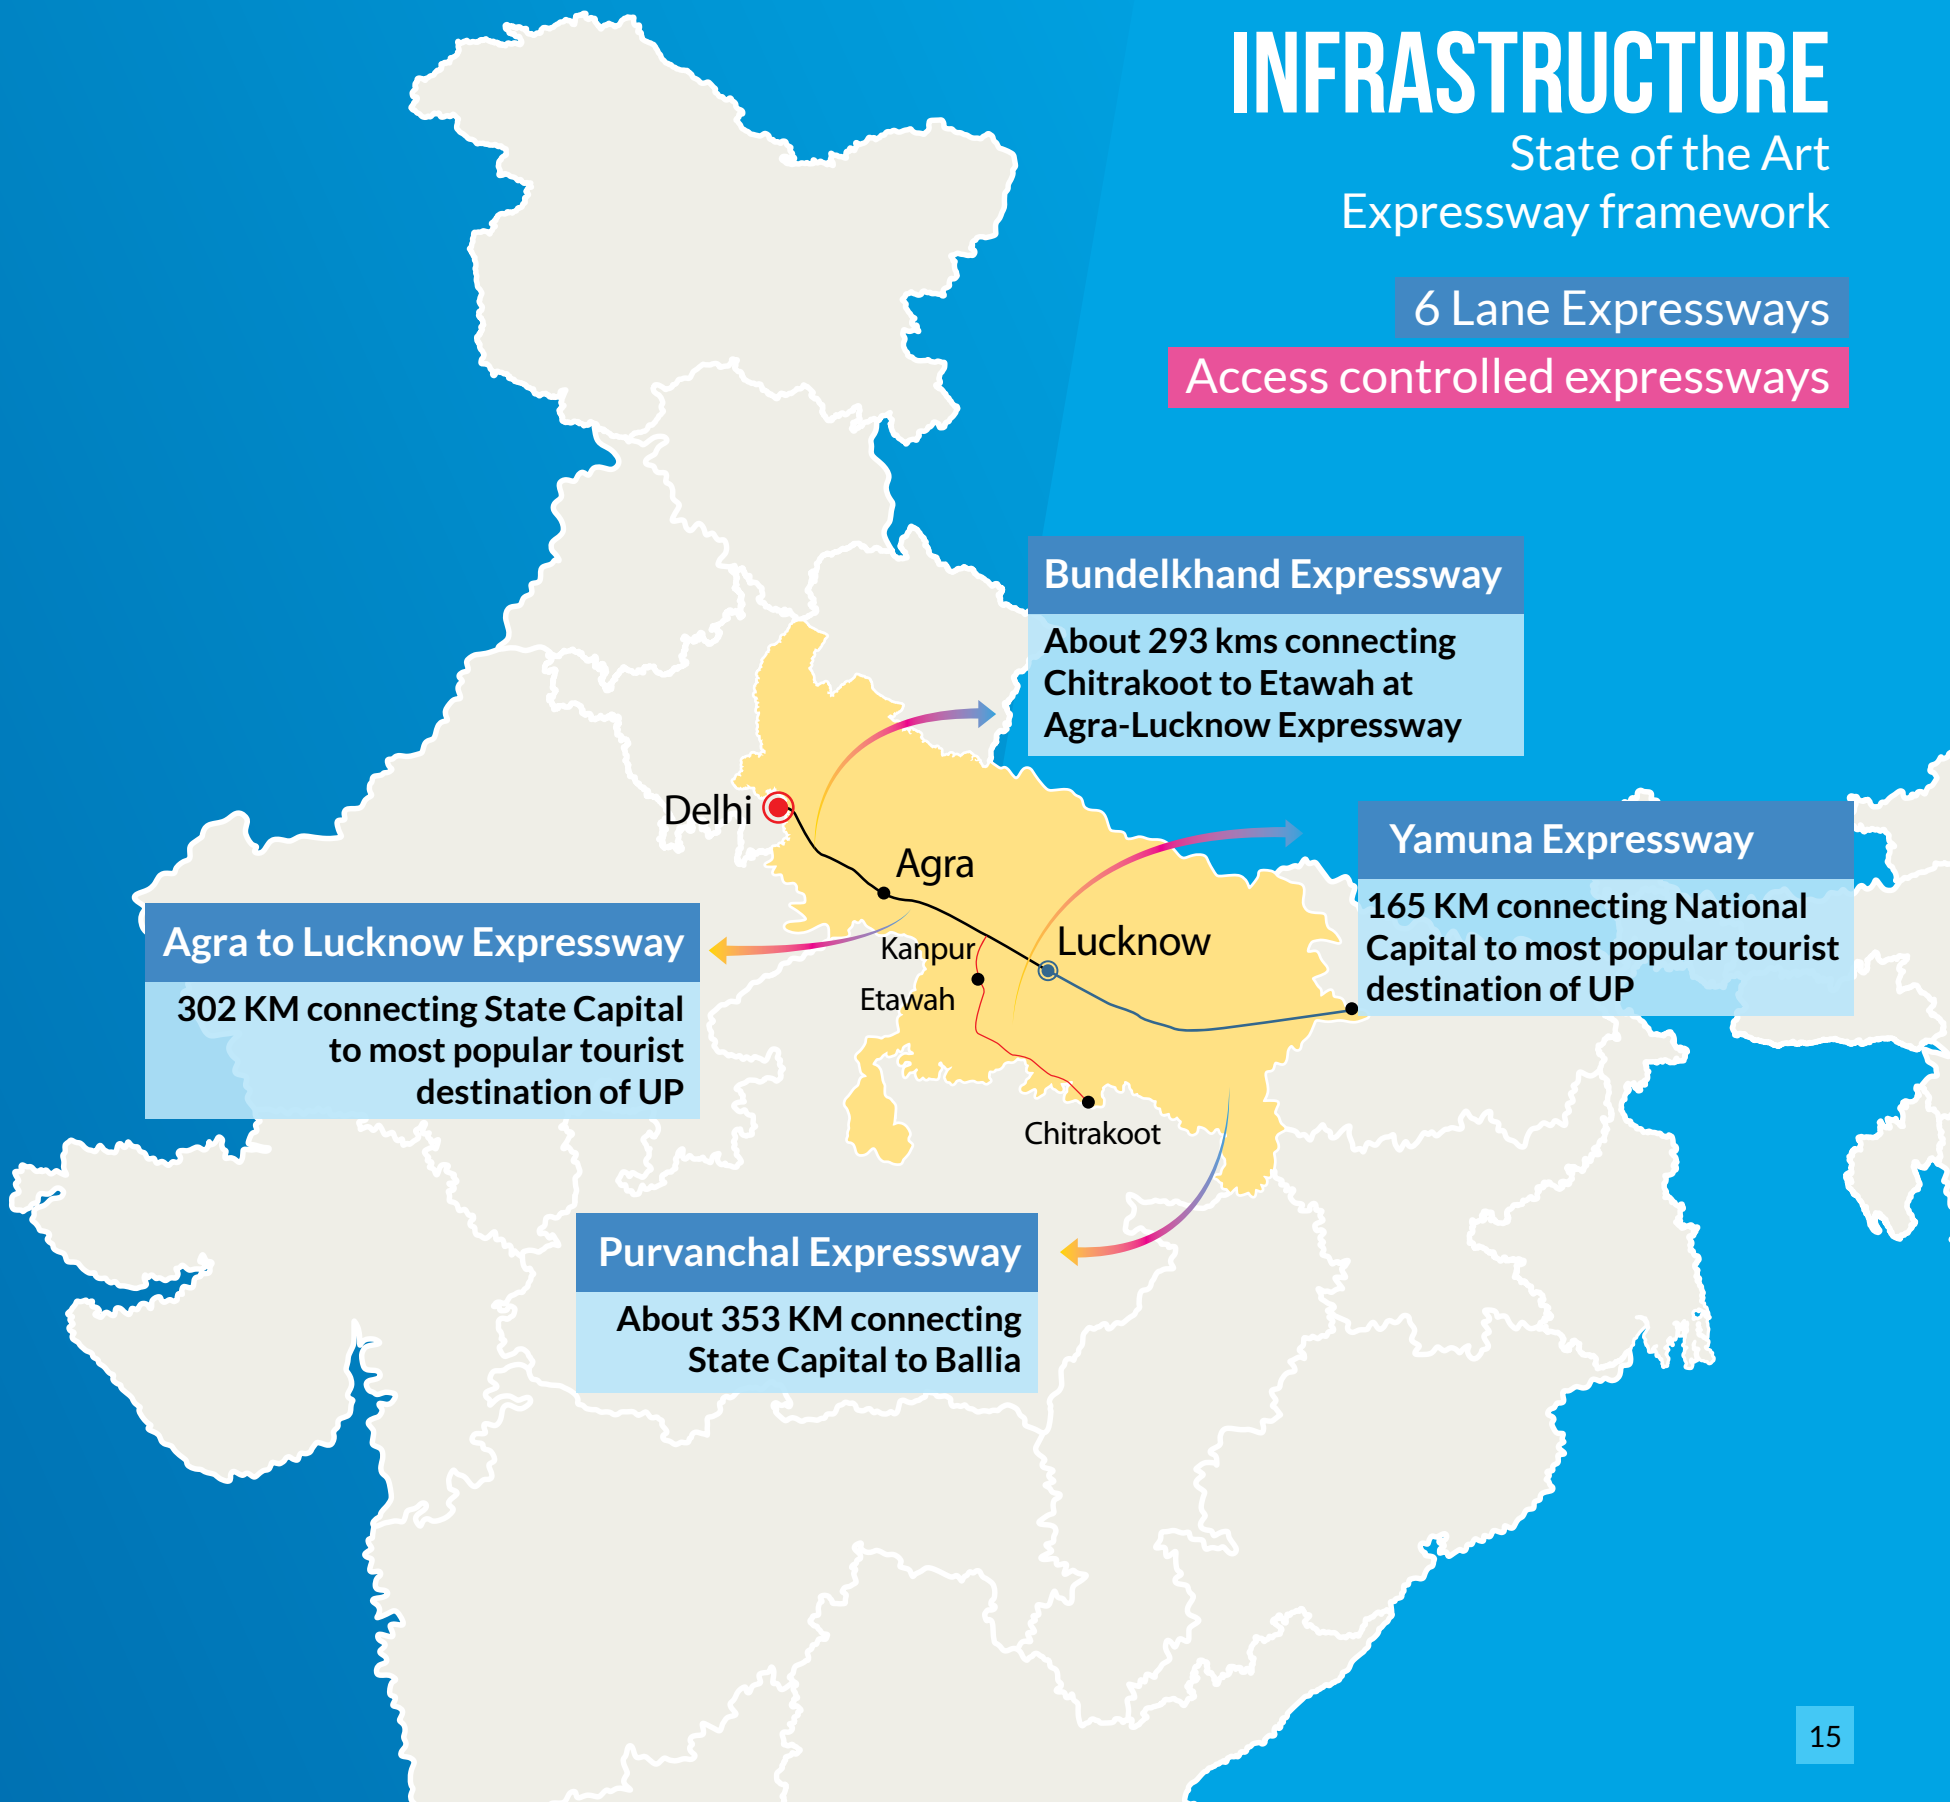

INFRASTRUCTURE

State of the Art
Expressway framework

6 Lane Expressways
Access controlled expressways

Bundelkhand Expressway

About 293 kms connecting
Chitrakoot to Etawah at
Agra-Lucknow Expressway

Yamuna Expressway

165 KM connecting National
Capital to most popular tourist
destination of UP

Purvanchal Expressway

About 353 KM connecting
State Capital to Ballia

Agra to Lucknow Expressway

KEY PROJECTS IN UTTAR PRADESH

DEFENCE INDUSTRIAL CORRIDOR

India's Defence Industrial Corridor planned in the Bundelkhand region of Uttar Pradesh

UP is home to 13 Defence PSUs/OFBs manufacturing range of defence equipment, parts and components

Presence of premier Defence & Aerospace Innovation and R&D centres including IIT Kanpur, BHU IIT, DRDO, HAL-ASERDC, etc.

UP is one of the leading states in India to come up with Defence & Aerospace Policy

Key investment Zone – Defence Industrial Corridor

Defence Corridor worth INR 20,000 crore planned in UP expected to create 2.5 lakh employment.

6 nodes of the corridor - Aligarh, Agra, Jhansi, Chitrakut, Kanpur, Lucknow.

3000 hectares of land to be notified by the State Govt along the corridor

Opportunities in Uttar Pradesh

- Defence Park at Jhansi, Kanpur, Agra, etc.
- Aerospace Park at Lucknow, Kanpur, Aligarh, etc.
- Aircraft/ Helicopter Manufacturing/ Assembling Units
- Auto related components and Automobile manufacturing for military
- Testing facilities at Jhansi, Chitrakut, Kanpur, Agra, etc.
- Drones Manufacturing and Testing facilities
- Police modernization, Forensics Centres
- Mobilising the Electronics, IT/ITeS and Engineering hub at Aligarh, Agra, Kanpur, etc.
- Defence Technical Textile hub at Kanpur and Agra

LOGISTICS

One of the pioneer states in India to launch Logistics Park Policy

Dadri is set to be India's largest Logistics hub

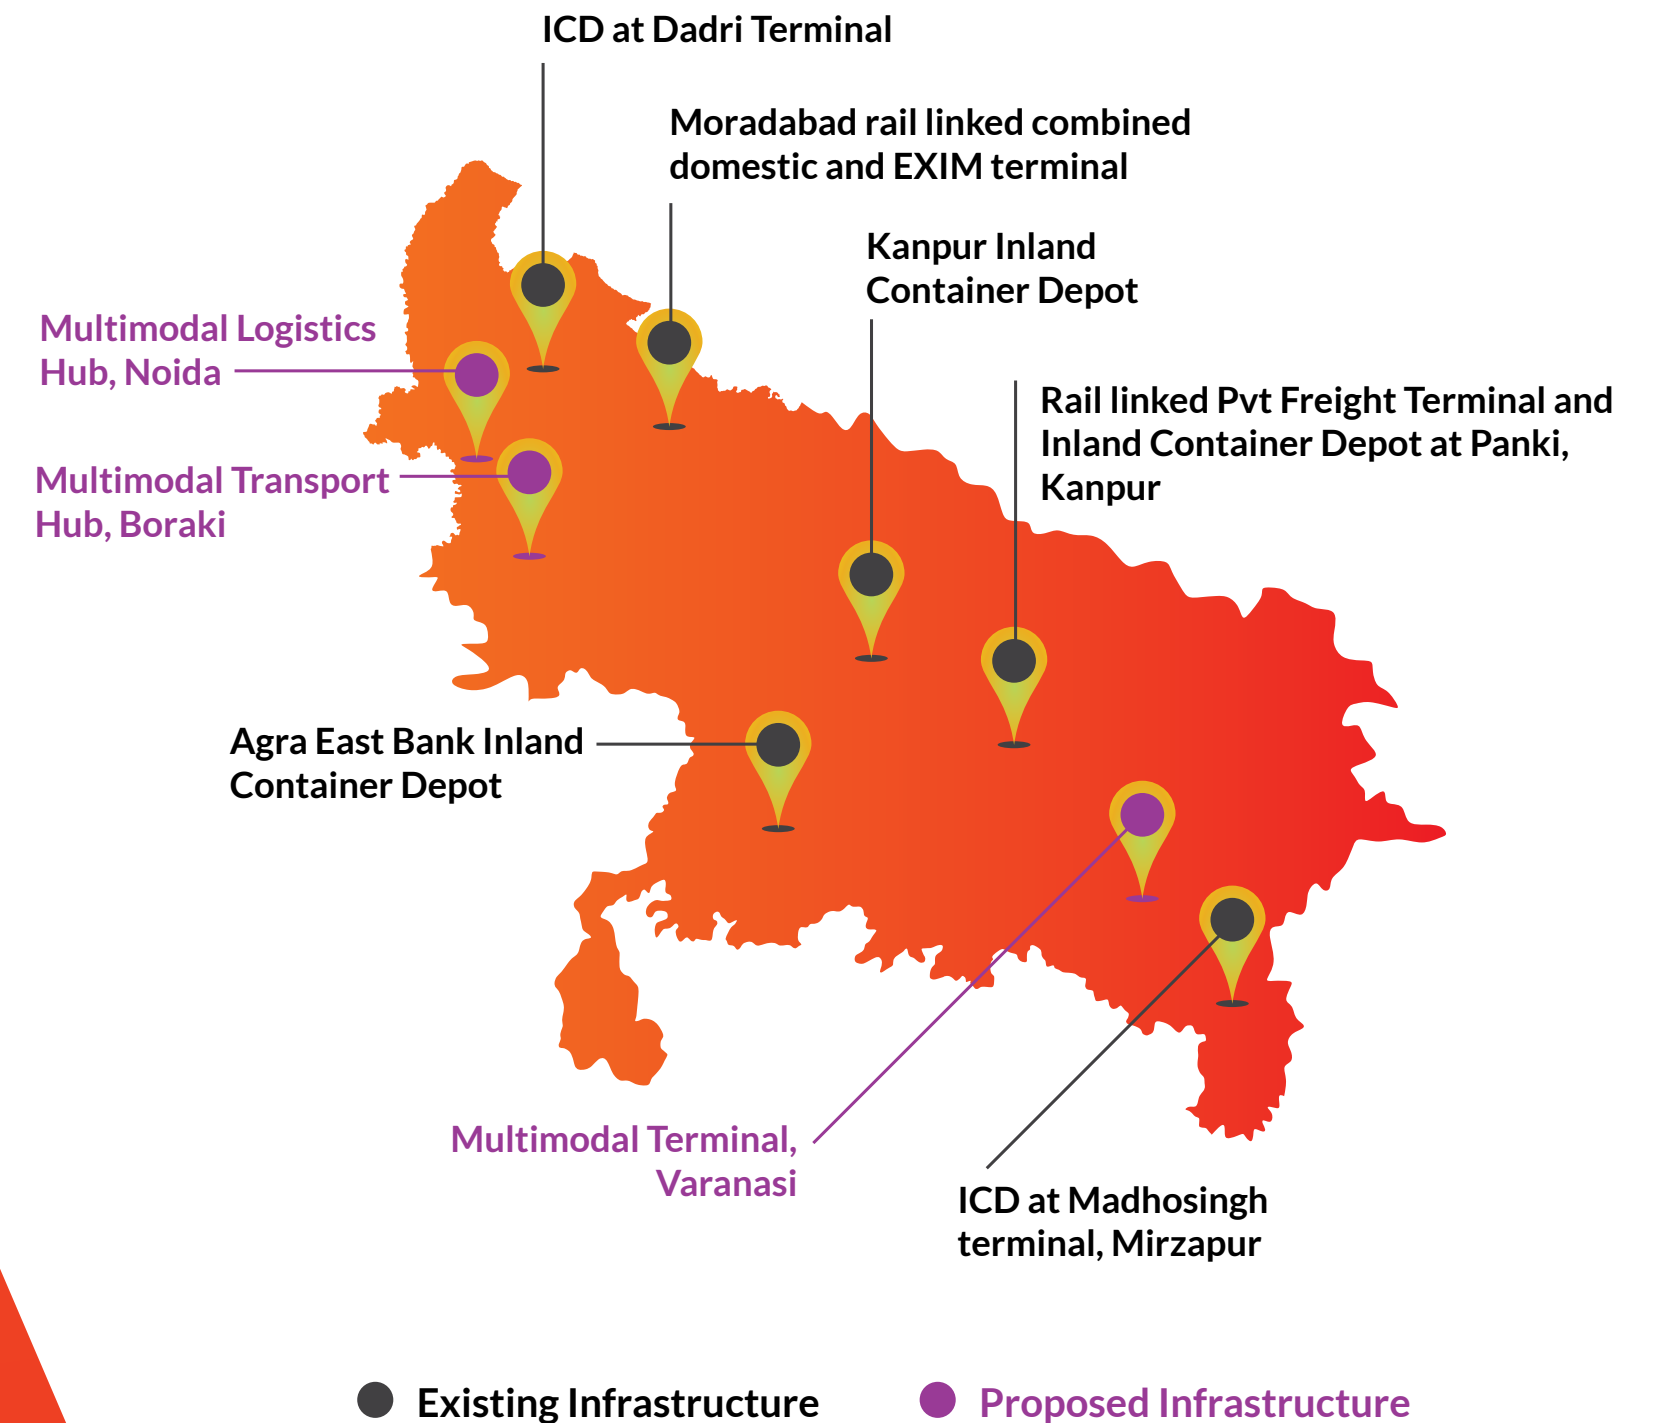

Intersection of WDFC and EDFC at Dadri in Greater Noida

Key Investment Zones

- Dadri Noida Ghaziabad Investment Region
- Meerut along Delhi Meerut Expressway
- Azamgarh alongside Poorvanchal Expressway
- Bhaupur Industrial Area, Kanpur Dehat
- Naini, Allahabad
- National Investment & Manufacturing Zones at Jhansi and Auraiya
- Meerut Muzaffarnagar Investment region
- Mughalsarai- Varanasi- Mirzapur Investment Region

Key Investment Opportunities

- Establishing Warehousing facilities, Cold Storages
- E-Commerce hubs
- Real time logistics - With higher use of internet and e-commerce, there is scope to provide services that helps in tracking and monitoring the transported goods
- Technological Innovations - Digitalisation, Robotics & Automation, Physical Internet Solutions
- Manufacturing Unmanned Aerial vehicles and Drones
- Skill Development and Training

DADRI NOIDA GHAZIABAD INVESTMENT REGION

Has been identified as one of the prominent logistics zones along the Delhi-Mumbai Industrial Corridor (DMIC), to be developed in the phase-1 of the project.

LOCATION ADVANTAGE

Along NH -1, Yamuna Expressway and proposed Eastern Peripheral Expressway

50 mins from IGI Airport and 30mins from upcoming Jewar Airport

40 mins from New Delhi Railway Station

Upcoming Integrated Industrial Township, Multimodal Logistics Hub at Dadri and Multi modal Transport hub at Boraki

BHAUPUR: INDUSTRIAL MANUFACTURING CLUSTER (IMC)

Spread across 2500 Acres with total notified area of approx. 15000 Acres for future expansion

Development as Smart City with Modern Integrated Industrial Township

LOCATION ADVANTAGE

Located on Eastern Dedicated Freight Corridor – it is part of Amritsar Kolkata Industrial Corridor Project

Connected to National highway through 45 meter wide approach road

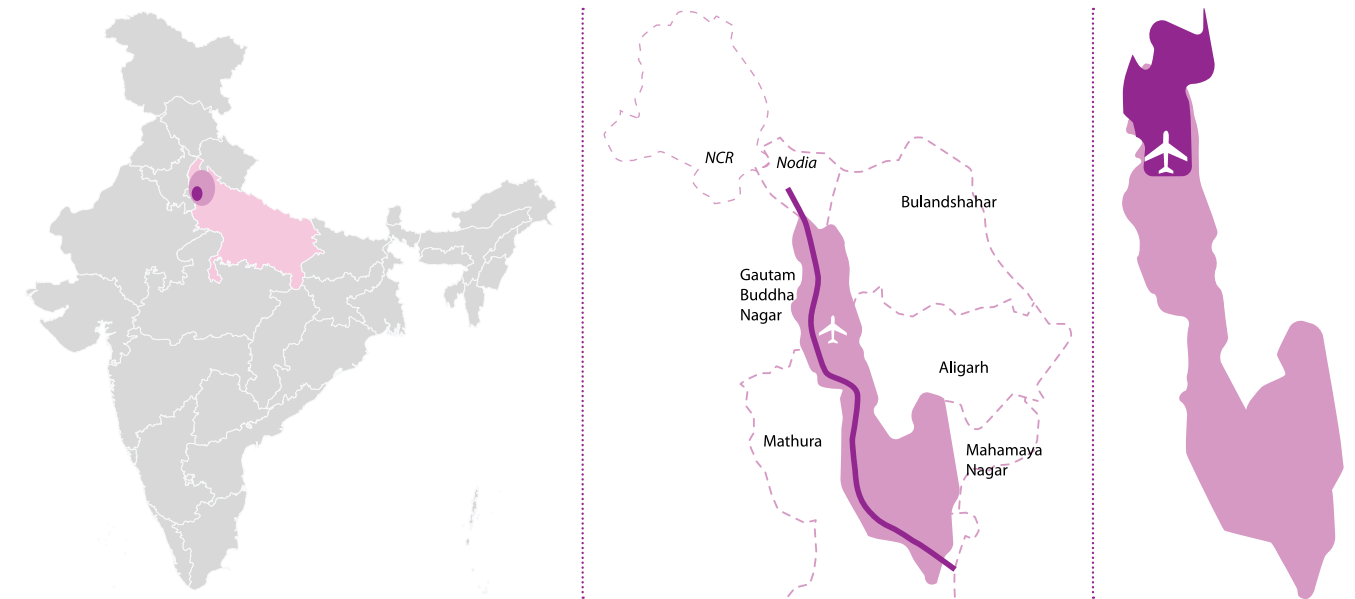

Well suited for Multi-modal logistic hub, Proposed Air Cargo hub, Green field Smart-City

JEWAR INTERNATIONAL AIRPORT GREENFIELD

Overview

Greenfield international airport of India planned at Jewar, Gautam Budh Nagar district of Uttar Pradesh

The site clearance (around 3000 hectare) has already been provided by the Government of India to develop the airport.

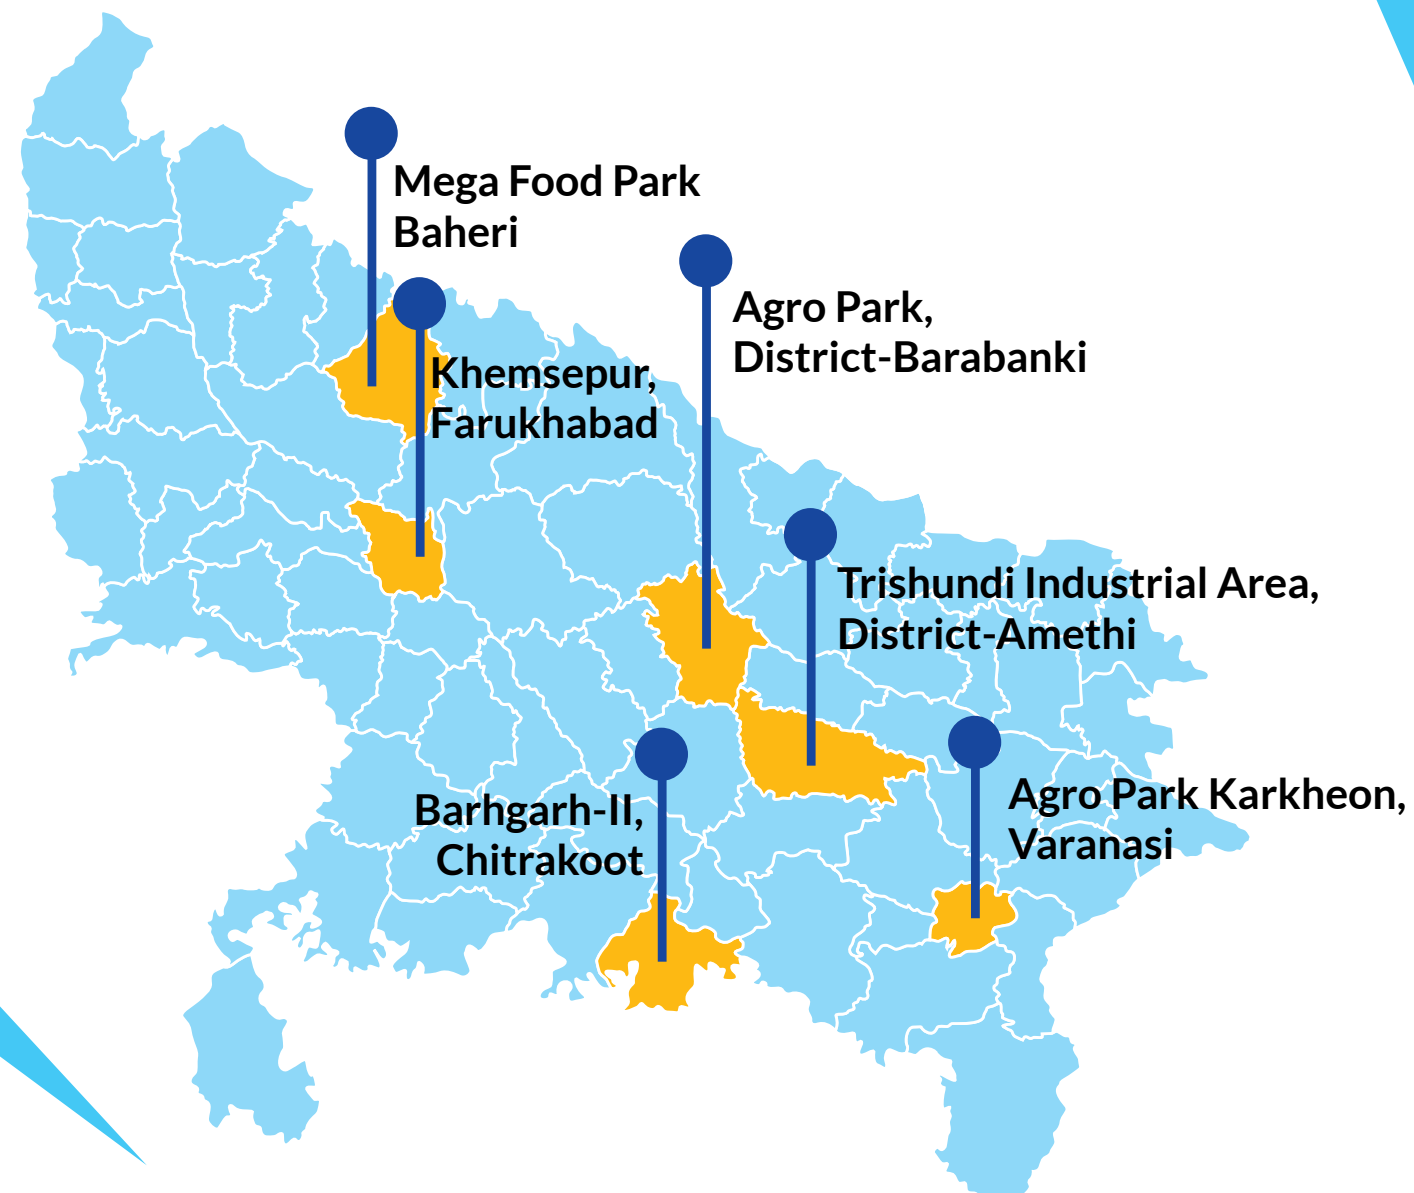

Location Advantage

Located in National capital region, the greenfield airport will have access to one of the largest commercial hubs of the country

Facility Advantage

The airport capacity is expected to be 30-50 million passengers annually – the first phase to handle 20-25 million passengers with one terminal and one runway in 1000 hectare.

FOOD PARKS

Agro Park, District-Barabanki

Identified as a major cluster to grow Mentha, Mangoes and Bananas

Cold storage, administrative building, Overhead water tank, 132KVA sub station, police outpost and parks are inside the area

In the total acquired land of 329.46 Acres, 246 plots have been developed

Mega Food Park, Baheri

40 km from Bareilly town bordering Uttarakhand. 247.60 Acres have been earmarked for the mega food park

Total of 118 plots, with area reserved for Weigh Bridges, Garbage Collection Centre, CETP, Dispensary, Parking Bay, Restaurants and Electrical Substation

Agro Park Karkheon, Varanasi

Located on Varanasi Jaunpur Road (NH-56), just 31 Kms from Varanasi, it has 261 Acres earmarked for this mega food park

11 Acres have been reserved for green zones, with drainage is present in the form of a planned drain, Sub station, Power lines and Street lightings are available

Khemsepur, Farukhabad

194 acres available for allotment, 145 Kms from Kanpur, located on "Grand Trunk Road"

Located on the potato growing belt of Uttar Pradesh and being equidistant from Western and Eastern UP

Trishundi Industrial Area, District-Amethi

Strategically located on the Sultanpur-Allahabad Highway at Trishundi, 44 Kms from Amethi Town, 5 Kms is the nearest rail head at Ramganj and 80 Kms from Allahabad Airport

Developed on 630 Acres of land

Barhgarh-II, Chitrakoot

70 Acres available, close to Madhya Pradesh state border, in Chitrakoot district. About 56 kms from Allahabad railway station, served by rail, road and air connectivity

Identified as major cluster to grow Aonia and Citrus Fruits

SARASWATI HI-TECH CITY ALLAHABAD

Overview

Project spreads
over **1140 Acres**
near Naini in Allahabad

Available for Allotment
115.54 Acres

It is being developed as an Industrial Model Township with non-polluting Industrial, Residential Commercial, Institutional and Sports sectors

Location Advantage

Situated close to EDFC at **New Ganj Khwaja Station**

Situated on Allahabad – Mirzapur NH – 76 (E),
just **10 kms.** from Allahabad city

15 Kms from Allahabad railway station

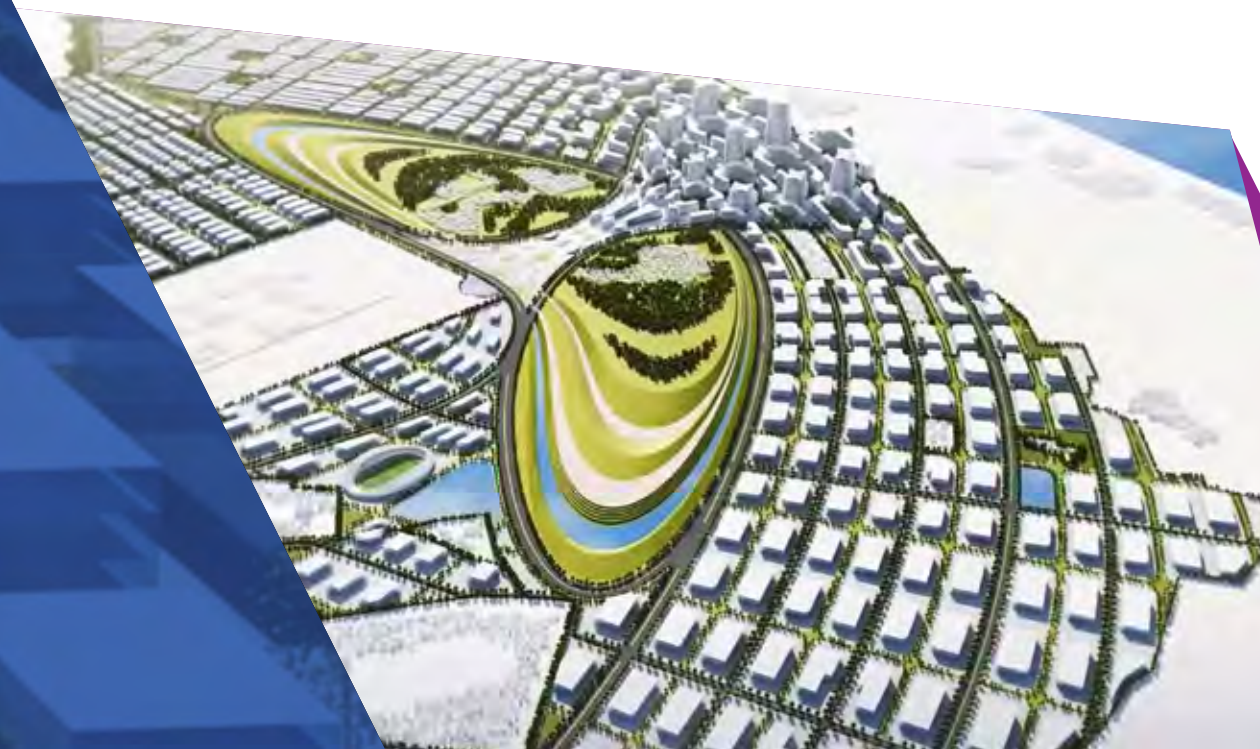

Approx. **30 kms.** from Allahabad Airport

Upcoming Inland Waterway (NW-1)

Facility Advantage

Proposed Exhibition center,
multiplexes, mega malls,
parks & group housing societies

Proposed is the State Library,
State University and
International Level Stadium
within the vicinity

ABOUT GROUND BREAKING CEREMONY

In its endeavour to promote industrialisation and attract investments, Government of Uttar Pradesh organised first of its kind – UP Investors Summit in February 2018. The Summit organised on 21-22 February 2018 at Indira Gandhi Pratishthan, Lucknow, brought together business leaders, corporate houses, policy makers and representations from around the world, the Summit focused on ushering in a new era of economic vibrancy in the state of Uttar Pradesh.

During the summit, total 1045 MoUs were announced worth INR 4.28 lakh Crores investment and capable of generating 40 lakh employment. The unprecedented success of UP Investors Summit 2018 led to generation of investment intents across sectors like Renewable Energy (16.8%), Infrastructure (15.4%), Power (14.7%), IT & Electronic Manufacturing (10.2%), Tourism (10.1%) etc.

Continuing to implement major sector specific policies, systemic & procedural business reforms, investor facilitation mechanisms, etc. in the state, the State Government could materialize nearly 14% of the investment intents received during the Summit. The State Government approached all the investors individually, who had shown their intents to invest in the State and made all conceivable efforts to translate their intents into actual investment.

Following measures were taken in this context -

An online MoU tracker has been formed under CM Office to monitor the implementation of the investment proposals.

Several sectoral policies were launched after consulting the industry to suit their investment requisites including Pharmaceutical Policy, Defence & Aerospace Policy, Food Processing, Milk Policy, Logistics Policy, Bio Fuel Policy, etc.

The state introduced series of reforms for Ease of doing business, and scored 92.87% in DIPP EODB reforms. UP at rank 12th is now an achiever state.

State's single window - NiveshMitra is an efficient digital single window platform to get clearances.

As a result, in five months, investment proposals for about 81 projects amounting to an investment of more than INR 60,000 Crores have been grounded. These investments have a potential of generating around 2.06 lacs employment in the State.

This includes investments by top companies in key projects like Reliance Jio Infocom investing INR 10,000 Cr to expand 4G network across UP, Infosys investing INR 5,000 Cr & Tata Consultancy Services investing INR 2,300 Cr to establish IT/ITeS Centre in the state, Adani Power investing INR 2500 Cr to lay 765 kV Ghatampur- Hapur transmission line over 900 circuit km, Paytm investing INR 3,500 Cr to expand its headquarter in the state, Essel Infra investing INR 750 Cr to run e-rickshaws in various locations in UP.

The other projects are spread across multiple sectors like IT/ITeS (11% projects, and 69% by investment size), Horticulture & Food Processing (17%), Housing (9.9%), MSME (6.2%), Tourism (4.9%), Animal husbandry, Cane & Dairy (11%), Forest (2.5%), Renewable Energy (2.5%), Textile (2.5%), other Industries (25.9%), etc. and are located across the state. Maximum projects have grounded in Paschimanchal region (49% projects, 55% by investment size), followed by Madhyanchal (22%), Poorvanchal (21%) and Bundelkhand (3%).

The State is reverberating this success through "Ground Breaking Ceremony" on 29th July 2018 and formally launch all these projects for necessary activities leading to completion of the proposed projects.

Highlights on UP Investors' Summit 2018

The Government of Uttar Pradesh organised the UP Investors Summit 2018 on 21-22 February 2018 at Indira Gandhi Pratishthan, Lucknow. Bringing together business leaders, corporate houses, policy makers and representations from around the world, the Summit focused on ushering in a new era of economic vibrancy in the state of Uttar Pradesh.

The 2 day summit was attended by 7000+ delegates, top business captains from India and abroad, delegations from 10 countries including 7 partner countries viz. Netherlands, Japan, Czech Republic, Finland, Thailand, Slovak Republic and Mauritius, plus other business delegations from Belgium, Montenegro and Nepal.

The summit was inaugurated by Hon'ble Prime Minister, Shri Narendra Modi and the valedictory session was graced by the Honourable President of India Shri Ram Nath Kovind.

Total 28 dedicated sessions, besides inaugural and valedictory were designed during the summit to deliberate several issues pertaining to industrial development in the state.

During the summit, total 1045 MoUs were announced worth INR 4.28 lakh Crores investment and capable of generating 40 lakh employment opportunities. GoUP conducted 326 B2G meetings with national and international delegates.

A 2 day exhibition was also been hosted spread over an area of 5000 Sqm. More than 150 companies and 7 partner countries setup their stalls in the exhibition.

The Summit focused on 10 sectors for investments in the state viz. Agro & food processing, Dairy, Handloom & textile, MSME, IT/ ITeS and Startup, Electronics manufacturing, Film, Tourism, Civil aviation, Renewable energy. In addition, the state also focused on sunrise sectors like Aerospace & Defence, Electric Vehicles, Pharmaceuticals, and Logistic & Warehousing etc. towards attracting investments in the state during the Summit.

As a run up to the UP Investors' Summit 2018 the State government took multiple steps on various fronts to invigorate the investor confidence in the state. In addition to an umbrella Industrial Investment and Employment Promotion Policy (IIEPP) 2017, the State launched various sector specific policies like UP Food Processing Policy, Warehousing & Logistics Policy, Tourism Policy, IT & Start-up Policy.

As a precursor to the UP Investors Summit 2018, the State government had organised roadshows in 6 cities to interact with key industrialists across focus sectors of the State. High-level delegations comprising Chief Minister, Ministers and Senior Government officials visited New Delhi, Bengaluru, Hyderabad, Mumbai, Ahmedabad and Kolkata and met potential investors to discuss their future investments plans.

Key announcements made during the summit-

- Establishing rail park at Fatehpur
- Rail refurbishment factory in Jhansi
- UP Defense corridor with potential of INR 20,000 crore investments.
- Launch of Single window portal 'Digital Clearance System'

Participated Companies Profile

Name of the Company	Reliance JioInfocomm Ltd
About Company	<p>Reliance Jio Infocomm Limited or Jio is an LTE mobile network operator in India.
