

CM to launch integrated mfg, logistics cluster project to boost growth

TIMES NEWS NETWORK

Lucknow: Chief Minister Yogi Adityanath on Thursday will inaugurate 27 nodes under the Uttar Pradesh Integrated Manufacturing and Logistics Cluster— an initiative of the UP Expressways Industrial Development Authority (UPEIDA) to boost economic development along the highways.

An official spokesperson said on Wednesday the integrated approach is expected to accelerate industrial growth, create large-scale employment opportunities and drive balanced regional development across UP.
