Lucknow: Calling expressways the backbone of Uttar Pradesh's economy, Chief Minister Yogi Adityanath on Thursday inaugurated 27 Integrated Manufacturing and Logistics Clusters (IMLCs) across 26 districts.

"Through these clusters, the state aims to harness the power of expressways. Spread over more than 13,240 acres on both sides of five expressways, these clusters will serve as a major catalyst in UP's economic journey," the CM said.

The Chief Minister also noted that all six nodes of the Defence Corridor are being developed along the expressways.
