LUCKNOW: The Uttar Pradesh government is providing over 490 services to investors through the Nivesh Mitra portal, enabling them to apply for various no objection certificates and obtain the necessary approvals to establish industries in the state, said Invest UP CEO Abhishek Prakash.

Invest UP, in collaboration with the union government's department of industrial promotion and internal trade (DPIIT), organised the one-day regional workshop on the Business Reforms Action Plan (BRAP) 2024 and Reducing Compliance Burden (RCB) on Thursday.

Prakash discussed the state's good practices, including the deployment of the Mukhyamantri Udyami Mitra scheme, which facilitates domestic and foreign investors across the state, districts, and industrial development authorities.

He said that Uttar Pradesh had significantly improved its Ease of Doing Business rankings through unprecedented reforms.

Principal secretary of the infrastructure and industrial development department, Anil Kumar Sagar, also elaborated on the crucial role that ease of doing business plays in driving economic growth.

Officials from Delhi, Bihar, and Jharkhand also attended the workshop.
