
LDA to launch single window system soon

Lucknow: The Lucknow Development Authority (LDA) is set to introduce a single window system for various services.

This facility will allow citizens to access information and complete their tasks related to property allocation, registry, freehold, transfer and more, all in one place.

According to LDA vice-chairman Prathamesh Kumar, "The new system will eliminate the need for people to visit multiple departments. Volunteers (Pradhikaran Mitra) will be deployed to assist citizens and ensure their work is done efficiently. The counters on the ground floor of the authority building will be upgraded and re-

Authority Day: 12 cases disposed of

As many 46 cases related to transfer, registry, freehold and illegal construction were heard on Thursday. Of these, 12 cases were resolved on the spot, while the remaining cases were given deadlines for resolution, said LDA VC Prathamesh Kumar

representatives from all relevant sections will be on duty."

The single window system will offer services such as e-stamp, e-challan, transfer/freehold, commercial property, maps, booking of IGP/parks, hi-tech/integrated township and loan desk.
