LUCKNOW : Rapid economic transformation and robust policy eco-system of UP was highlighted at the Gartex Texprocess India 2025, in Mumbai. Shashank Chaudhary, additional CEO of Invest UP, represented the state at the three-day event that began on Thursday.

Chaudhary stated that with investor-friendly policies, UP has emerged as one of India's most attractive investment destinations.

KP Verma, joint commissioner, handloom and textiles, state government, and Anuruddha Kshatriya, general manager, Invest UP, gave a presentation on the incentives offered under the U.P. Textile & Garment Policy – 2022, showcasing UP's commitment to fostering growth and investment in the textile sector.
