Uttar Pradesh Chief Minister Yogi Adityanath on Wednesday laid the foundation of the state's rapid cultural, economic, and industrial growth since 2017 had been its zero-tolerance policy towards crime. He said the state's gross domestic product (GSDP) should surpass ₹32 trillion by March 2025, and Uttar Pradesh was now competing to become the country's top economy.

Addressing the Business Standard Samriddhi roundtable, Adityanath detailed his government's investments in improving the state's infrastructure, especially through the construction of expressways. He also highlighted efforts to attract foreign direct investment (FDI), with proposals amounting to nearly ₹40 million, which would create 15 million jobs for the state's youngsters. The CM emphasised the government's support for traditional industries,

such as Moradabad's brass, Ferozabad's glass, and Bhadohi's carpet manufacturers, as well as the state's agricultural sector.

In his nearly hour-long speech, the CM said his government had "ruthlessly" crushed mafia groups and that rioters now know their actions will have consequences. "From the lawlessness of 'one district, one mafia group' during the previous governments, the state has transitioned to 'one district, one product,'" the CM said.

"TODAY, I CAN SAY WITH CONFIDENCE THAT WE ARE THE NUMBER TWO ECONOMY IN THE COUNTRY, THE FASTEST EMERGING ECONOMY AND COMPETING FOR THE TOP SPOT"
